FOREWORD

Between the covers of this—the 1936 Watchtower—is recorded the colorful first chapter of a new era in Norman history. In the past year Beverly has embarked upon a new venture, has entered the realm of a new Norman World. In athletics, forensics, and almost every phase of school life, Normans have gone on to new fields of endeavor. The school has competed with new rivals in a new league. In keeping with this spirit of adventure and innovation the Watchtower has tried to give you originality and progress as its key note. The progress that future Watchtowers should reflect can come about only through able leadership. The development of this new Norman World will be determined by the efforts of our Norman leaders. Hence, six outstanding leaders in their particular fields have interpreted Leadership, in forewords to each section. Judge Leon R. Yankwich for Administration, President Ray Lyman Wilbur for Classes, Rabbi Edgar F. Magnin for Organizations, Eddie Cantor for Activities, Amos Alonzo Stagg for Athletics, and Joe E. Brown for Features introduce the Worlds which make up the yearbook.

The art work of the annual, modern in style, represents Norman progress. The end-sheets are decorated with a panorama of Norman life, picturing a parallel between the Normans of Beverly and the Normans of Old. They show the Knights of Beverly and the Knights of ancient Normandy, the warriors of the Norman battlefield and the warriors of the modern gridiron. In the background is a globe, symbolic of our theme.

As the art work depicts a Norman World, so does the entire Watchtower reflect its development, activity, and achievement. As we look back upon these events, let us look forward. We can all strive to be Knights of Progress.

With progress as its key-note, the Watchtower has dedicated this annual to a leader in not one but many fields, to a man whose name is his eulogy, to WILL ROGERS.

When Francis Bacon (who did not write Shakespeare's plays) was Lord Chancellor of England, he inducted into office Mr. Justice Hutton. In speaking in his allocution of the judge's future relationship to the juries, he advised them: "That you be a light to open their eyes and not a guide to lead them by their noses." I think Bacon in this statement has struck the essence of what we would call in our day, democratic leadership. For there is such a thing as democratic leadership. It differs entirely from the leadership expressed in the idea of a DUCE, FUEHRER, or DICTATOR. That is control and domination by an individual. It is a return to the monarchical idea of governmental omnipotence and irresponsibility for the head of the state. It means that the will or fiat of the autocrat is the law. While it is customary, at the present time, to refer to this as leadership, it is not leadership at all.

Democratic leadership, on the other hand, does not command by virtue of an omnipotent power, whether that power be given by a temporary majority or by a small group. It suggests, counsels, advises, and, above all, inspires. It appeals to rational beings whom it leads.

There is great need for such leadership today. Great changes are taking place the world over. Some of the older generation are bewildered. You, the youth of today, will bear the fruits of the change. It is the problem of leadership that there be placed before the youth of today a true picture of the changing scene. True leadership will do this. It will encourage intelligence. It will encourage the spirit of inquiry, which is the true spirit of youth. It will at the same time show to the youth of today that the present is related to the past and that the future cannot be built upon a solid foundation if we destroy freedom and those values which centuries of civilization have brought us.

Like the runners of old who carried torches before the litter-bearers, lighting their way, our leaders must carry before the coming generation the torch of light, tolerance, and civilization.

And so to my young friends of the Beverly Hills High School, I say: Seek true leadership. Follow it. And may this leadership realize its true responsibility to your generation. I am sure you will not fail us if they do not fail you.

Preparation for leadership is one of our aims in the Beverly Hills High School. There is no dearth of material here, for the ability of our group is recognized. The question is, do we possess all the qualities necessary for leadership? Do we see leadership as a privilege only, or do we recognize the responsibilities and obligations that it entails?

Everyone will not develop these qualities to the same degree, and many will not discover their talents while still in school. While no one will lead in all activities, it is possible, however, for practically everyone to lead in some. Leadership is relative, everyone possessing it to a greater or less degree.

Just what, then, is needed beside an intelligent understanding? Of what avail is an interest in the world and sympathy for misfortune if nothing is done to remedy conditions? What additional qualities must leaders possess to ensure success?

Leaders must not stop with knowing; they must not stop with sympathy. They must learn to do; they must act. It is in this talent that our guiding genius is found; it is by this that our strength of will and organizing ability can gather an intelligent, loyal following, so that we, the leaders and the followers, can work together for a better humanity. It is this ability to carry thought into action that distinguishes the leader.

True leaders must sacrifice to meet these ideals. It is hard—but can Beverly be satisfied with less?

BEVERLY HILLS BOARD OF EDUCATION

This year the complex job of administering Beverly Hills High School was in the hands of a Beverly Hills School Board. The problems of organizing a faculty, purchasing equipment and supplies, and strengthening the building, as well as the many details that are required to keep the school system running smoothly were this year the responsibility of five board members and the superintendent's office. Mr. Seth M. Bond, Mr. W. Stanwood Field, Mr. Clifford Hughes, and Mrs. Lewis Smith made up the Board with Mr. Eugene Swarzwald as president. Mr. Edward J. Hummel, superintendent, and Dr. Cecil Hardesty, assistant, together with the Board have given generously of their time and interest in administering this important era in the school's history.

Blanche E. Davis

The privilege of being a leader in a group of students such as one finds at Beverly is so great that it cannot possibly be over-estimated, and the faculty are not unaware of their privilege in having been able to observe this leadership. The spectacle has been an inspiring one, for had it not been for the very spontaneous and enthusiastic help of the students of Beverly Hills High School, the faculty would have had their many tasks multiplied. With this reality of help and progressive planning from the students we have all been able to work toward a common goal—one of enthusiastic support of whatever in the past might serve our best interests and a search for a future which might hold for us higher and more fitting accomplishments.

Blanche E. Davis

MRS. BLANCHE E. DAVIS
Girls' Adviser

Let this be more than a greeting—let it be the expression of a deep, heartfelt appreciation of innumerable pleasant occasions we have had together during the school year. Your attitude of friendliness and your fine spirit of cooperation have made this, my "freshman" year at Beverly High, a very happy experience.

The leadership, the resourcefulness, the smiling acceptance of responsibility by those of you whose fortune it has been to engage actively in the life of the school have contributed materially toward that goal we hold for Beverly—the finest of high schools.

STUDENT BODY FIRST SEMESTER

Webster defines spirit as the breath of life. We can easily see the directness with which this applies to our student body. Without spirit our organizations, our athletics, our high standards, and our excellence in every phase of high school life would cease to exist. Without spirit the best of our progress would be stopped. Without spirit Beverly would be a skeleton of brick and mortar. However, our co-operation with our self-chosen leaders and faculty, and loyalty to our teams will not suppress this spirit but will rather increase and enrich it and build a better school upon the eight years of fine traditions which form our sturdy foundation. With this multiplying spirit Beverly will continue its never-ending progress toward the ever-nearing goal of perfection.

With the utmost faith in this and the future student bodies, I say thank you and good-bye.

Don Fox

BOARD OF COMMISSIONERS

The Board of Commissioners consists of all the officers of the student body, the heads of the Leagues and school publications, and the presidents of the Knights and Alphas. Meeting every two weeks in Mr. Bowhay's office, they appropriate money from the student body fund for various uses of the school, act on matters pertaining to school clubs and their constitutions, pass amendments to the school constitution, approve the awarding of athletic awards, and authorize all school affairs.

Writing this message is a privilege and a sad duty which certainly every president in our history has sincerely regretted and at the same time cherished very dearly—regretted because it marked the approach of the final farewell, cherished because it meant so much to him.

In adjustment under the new administration our students have been called upon to meet a different situation from that of any other group since the founding of our school. To attempt to leave any guiding message for you, whose actions and spirit have been so admirable, would be inconsistent with your needs and my abilities. If I can but leave my appreciation, then that is all I wish.

The time has come to write good-bye to the beautiful Norman architecture which has been my daytime home for the last four years. And it has been as kind and lovely a home in its soul and inhabitants as it is in its significant architecture. I truly hope that new classes will come to appreciate the intangible blessings that every sincere student inherits on entering Beverly, those heritages which they will find they leave all too soon.

To have been president has been a revelation and a joy for me. I can only hope that my feelings are mirrored in your own, which is the important thing. For if they are, then the sacred spirit and traditions that are Beverly cannot and will not die, and the coming year may be looked forward to with even greater eagerness than ever before.

Every girl in the school is a member of the Girls' League and is invited to participate in all of its activities. During the past year there have been many enjoyable events. First, was the reception for new teachers. Following this was the Big and Little Sister Party, which is given each term to welcome the new girls. The decoration was nautical in theme. The Lower Grade Mothers' Tea was held on November 6. Then on October 18 and 19 the Girls' League Convention was held at Sweetwater Union High School at San Diego. Beverly sent two representatives. The Upper Grade Mothers' Tea was held next. The Mothers were entertained with a fashion show, and refreshments were served afterwards in the cafeteria. The Girls' League and the Boys' League, together, gave the Christmas Dance. Fred Plotkin's Orchestra provided the music. The Girls' League also served tea for the teachers every Monday, Wednesday, and Thursday after school.

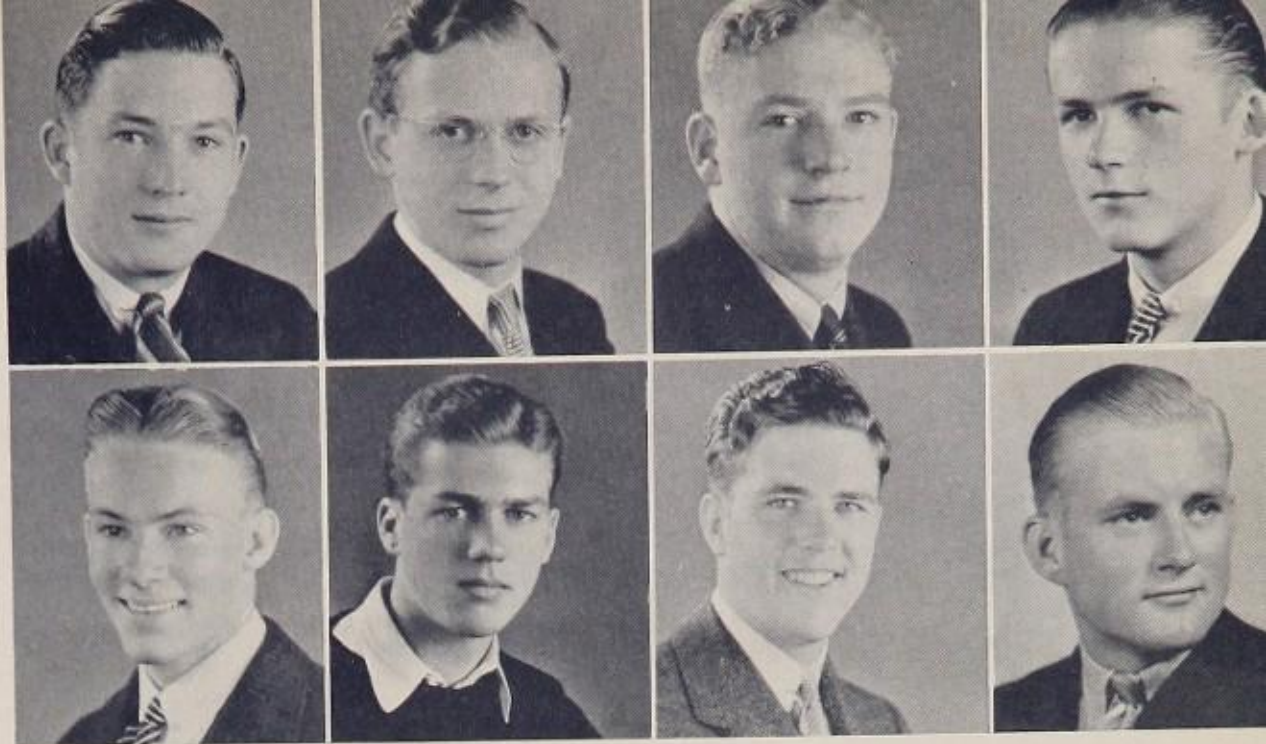

The first event sponsored by the Girls' League in the new semester was the Big and Little Sister Party. The theme was "the farm". Next, the Lower Grade Mothers' Tea was held. Then, once again, the Girls' League and the Boys' League cooperated and gave the Leap Year Dance. Freddie Packard's Orchestra supplied the music, and the decorations were nautical. Beverly sent two representatives to the Girls' League Convention, which was held at Huntington Park High School on April 18. The Upper Grade Mothers' Tea on May 20, was the last social event of the school year.

The Girls' League Cabinet, which has charge of all Girls' League activities, is composed of the officers of the Girls' League, the president of the Alphas, the commissioner of Girls' Welfare, and the heads of the various committees of the Girls' League. It is their efficient management which makes the Girls' League a success.

CABINET MEMBERS: September to February: Priscilla Joy Everts, President, Meredith Lanterman, Vice-President, Grace Fox, Secretary, Virginia Peck, Treasurer, Jane Hughes, Commissioner of Girls' Welfare, Virginia Lee Wilkinson, President of the Alphas, Ruthelen List, Head of the Hospitality Committee, Lucretia Tenny, Head of the Philanthropy Committee, Mary Alice Madden, Head of the Serving Committee, Barbara Pinson, Historian; February to June: Jane Hughes, President, Virginia Peck, Vice-President, Peggy Stewart, Secretary, Harriet Stacy, Treasurer, Virginia Lee Wilkinson, Commissioner of Girls' Welfare, Jane Barrett, President of Alphas, Ruthelen List, Head of Hospitality Committee, Martha Flannery, Head of Philanthropy Committee, Joan Ubbe, Head of Serving Committee, Joy Richards, Historian, Meredith Lanterman, Visiting Committee.

All boys enrolled in Beverly High automatically become members of the Boys' League. The purpose of this organization is to promote good fellowship, encourage worthy activities, and further the general welfare of the boys and school.

The Boys' League Cabinet is the governing body. The cabinet consists of the President, Vice-President, Secretary, and six associate Judges of the Boys' Court. The members of the Cabinet also serve as judges in the Boys' Court.

The President presides over all the meetings of the Boys' League, acts as Chief Justice of the Boys' Court, attends all the meetings of the Board of Commissioners, and operates and controls all the meetings of the Boys' Court.

At the beginning of each semester the new President presides over an assembly held for the incoming boys and transfers. The purpose of this assembly is to explain to the new boys the government of the school and Boys' League. The Knights and Hi-Y organizations are explained, and they are all encouraged to start early in the training of a sport and the participation of school activities. During the latter part of the semester there is an assembly held for the boys only.

The Boys' League Cabinet works in close harmony with the faculty and the student government organization to bring about a constantly improved school and student body.

THE GIRLS' COURT

The Girls' Court is composed of nine judges, the Commissioner of Girls' Welfare, and a faculty sponsor. The judges and the commissioner are elected at every regular student body election. To run for judge, a girl must have been enrolled in Beverly for at least one semester, and must have all the grades and signatures required by the Student Body Constitution, except that there is no certain number of service points required. The Commissioner must have satisfied all the above requirements and be a senior with some court experience. She is an ex-officio member of the Girls' League Cabinet and the Board of Commissioners. The court has jurisdiction over all cases of girls off bounds, smoking, ditching, and any others that are recommended to it by the Girls' Adviser. All serious cases are referred back to the Girls' Adviser. The court gives citations to offenders found guilty, the number depending upon the gravity of the offense, the offender's previous record, and her attitude in general toward the court. The record of all citations given is kept by the clerk and is later transferred to the personnel sheets. A large number of these citations affect graduation and the ability to run for school offices.

Commissioners of Girls' Welfare: Jane Hughes and Virginia Lee Wilkinson.

Judges: Barbara Anderson, Belle Bendheim, Mary Lou Carlson, Claire Cox, Virginia Edington, Jane Forster, Ethel Hamilton, Joan Jordan, Anne Gillespie, Freddie Hatch, Patricia Loy, Ruth Mellinkoff, Anne Montgomery, Suzanne Reynolds, Rhea Wilkinson, Evelyn Bard, Patricia Young.

THE BOYS' COURT

The Boys' Court is a body composed of nine boys elected by the Boys' League. The officers of the court are President, Vice-President, Secretary, Treasurer, and five Judges. The court handles all case of discipline arising outside of classes. A new policy has been employed this year and the results have been most gratifying. Under the new policy of psychological treatment of the offenders has been used, doing away with the antiquated method of citations. The culprits are placed under the supervision of one of the officers, in an effort to improve rather than to punish.

Officers: Presidents, Bob Moulton and Bill Walkup, Vice-Presidents, Theo Linhart and Frank Hintze, Secretaries, George Oliver and Bob Anderson, Treasurers, Bob Reeser and Jim Wright.

Judges: Al Aufderheide, Neil Casson, Jack Donohue, Bob Friendenthal, Matt Mahane, Earl Mason, Jack Rosenberg, Bob Older, Jim Vance.

THE HALL GUARDS

The Hall Guards are a group of students whose duty is to keep the halls of the school in good order to prevent students from going from one class to another during class time, and to keep students from loitering in the halls and creating a disturbance. This vigilance prevents students from cutting classes, because they are not able to pass through the halls without the written permission of the teacher in charge. There are no particular requirements for joining this group, since any student with a free period is eligible for the job. The job is entirely thankless except for the commendation of the sponsor and the faculty, but the service is necessary, because a rigid discipline must be maintained in the halls at all times in order to permit quiet. Mr. Evan Engberg is the sponsor of the Hall Guards, the Auto Patrol, and the Bounds Committee.

THE AUTO PATROL

The Auto Patrol is one of the safety organizations in the school and is composed of a group of older boys. Their duty is to prevent students from moving their cars during school hours and to inspect the neighborhood gathering places in search of students who have violated the school rules and gone off bounds. Older boys are chosen, because it is necessary that they be licensed operators and have automobiles which can be used for patrolling. This job is much more important than it may seem at first glance, because the school is responsible for all students during the school hours, and if the pupils were permitted to leave the school premises, the school would be involved in cases of injuries, theft, and other types of casualties. This is done, too, because the parents must be assured of a maximum of safety while their children are at school.

THE BOUNDS COMMITTEE

The Bounds Committee is a group of students under the supervision of one of the faculty. It is a duly authorized body with the power to recommend wrongdoers to appear before their respective courts. The committee is laid out scientifically to apprehend all students who attempt to go off of the school grounds during school hours. This body is a necessity because a state law requires that no one leave the school premises during school hours. Membership in the committee is not compulsory, but is made up of students desirous of aiding the school by enforcing the school laws.

OFFICE FORCE

Miss Cassil Hegg Lund, Miss Isabelle Lindsay, Mrs. Irene Mason, Mr. James R. Lee, Miss Betty Bowers, Miss Grace Woolsey, Mrs. Helen Anderson.

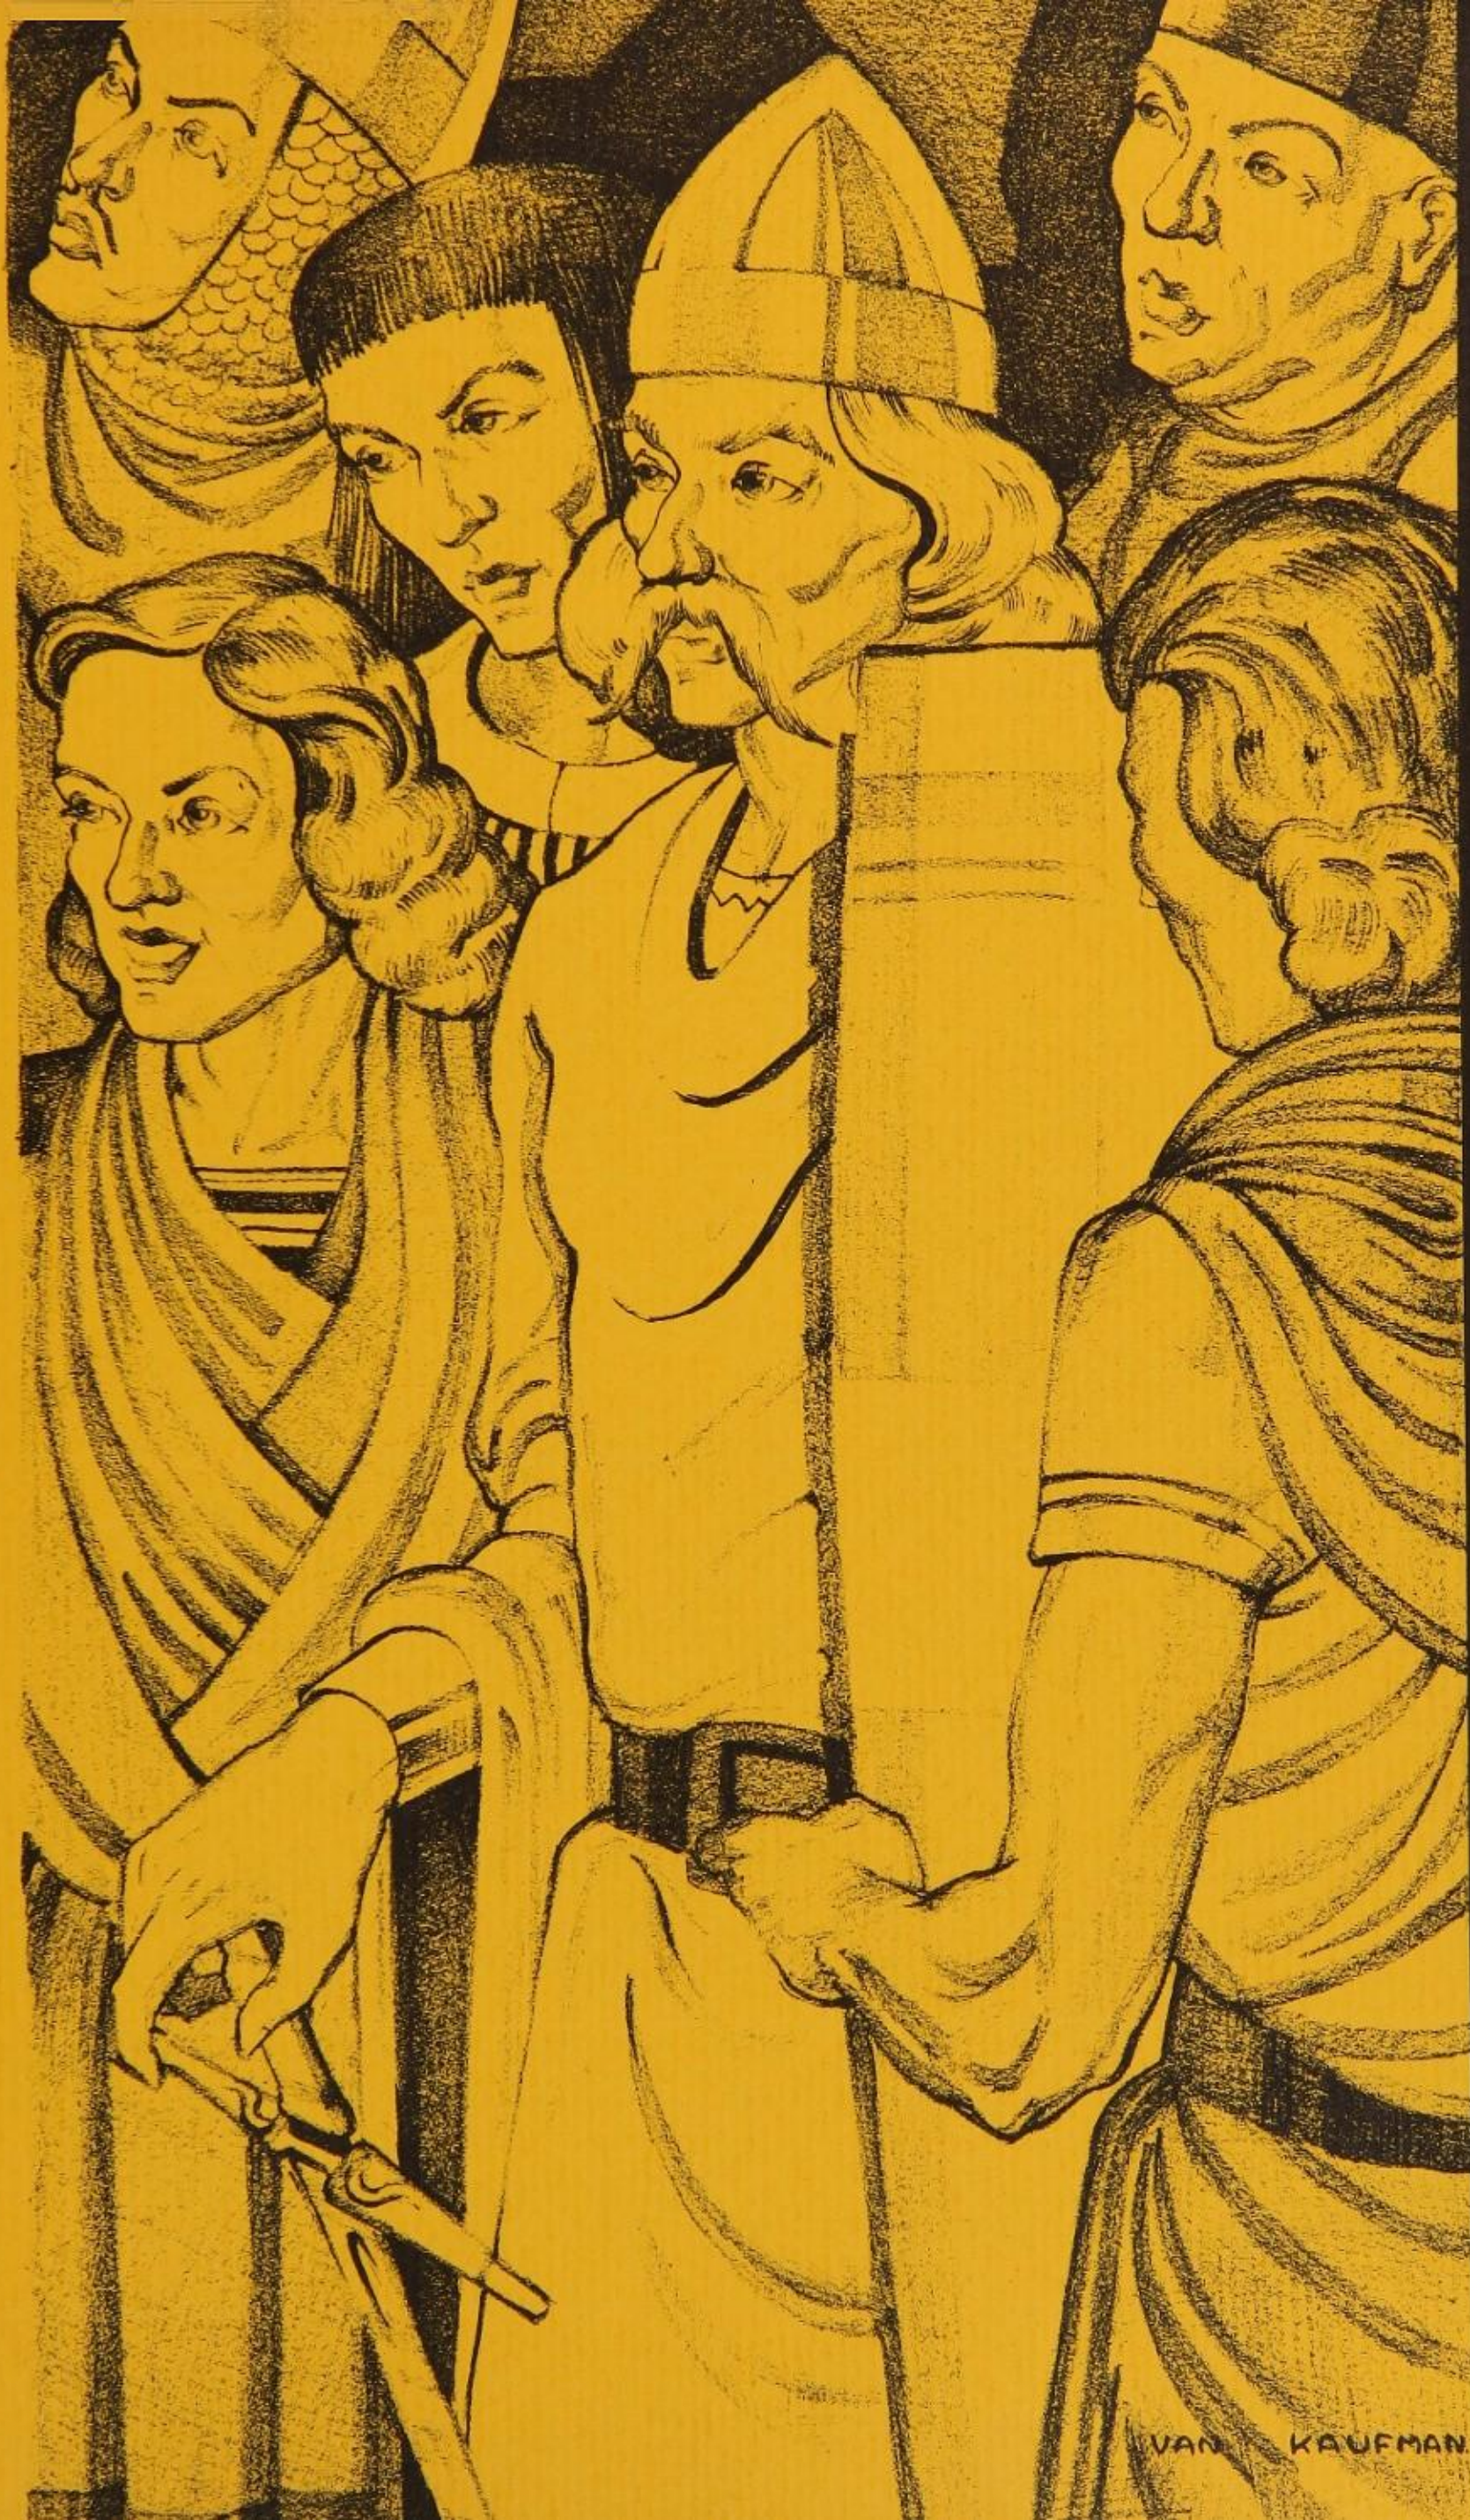

In the Founding Grant of the university with which I am connected is the statement that its chief aim is "the instruction of students with a view to producing leaders and educators in every field of science and industry." In order to develop this leadership the University has established many departments but is specifically guided in its trust to take up experimentation and research.

To be a leader it is not enough merely to understand the useful knowledge that is available. It requires constant study of new things and of the unknown. Leadership comes to the person who is willing to work harder than the rest, to know more about any given subject than the others, and to be willing always to keep an open mind for new information and new ideas. We would remain stationary, or go backward, without fresh leadership every year. Those of you who are ambitious to advance and to do public service must be more industrious than your fellows, think more often, and work for the public good.

For this reason it behooves every nation to be cautious about the selection of its leaders. People should not be swayed only by personality, but should take into consideration the intelligence and the idealism of the one who chooses to direct them. We have a sorry example in Europe where many of the nations are being misled by madmen who possess powerful personalities but who have no regard for human life or liberty. On the other hand, we in America have such examples of men like George Washington and Abraham Lincoln who regarded the welfare of the people over and above everything else.

Those who desire to be leaders should also realize the great responsibility that attaches to such a position once they have attained it. They should realize that power is, after all, nothing but a great trust placed into their hands for the purpose of doing good. The average person is not capable of thinking for himself and probably will not be for many centuries to come. He is emotional and open to suggestion. Hence, there will always be a large percentage of demagogues and humbugs in every field, and it therefore behooves those who are idealistic to cooperate with others of the same type in order to offset this destructive force.

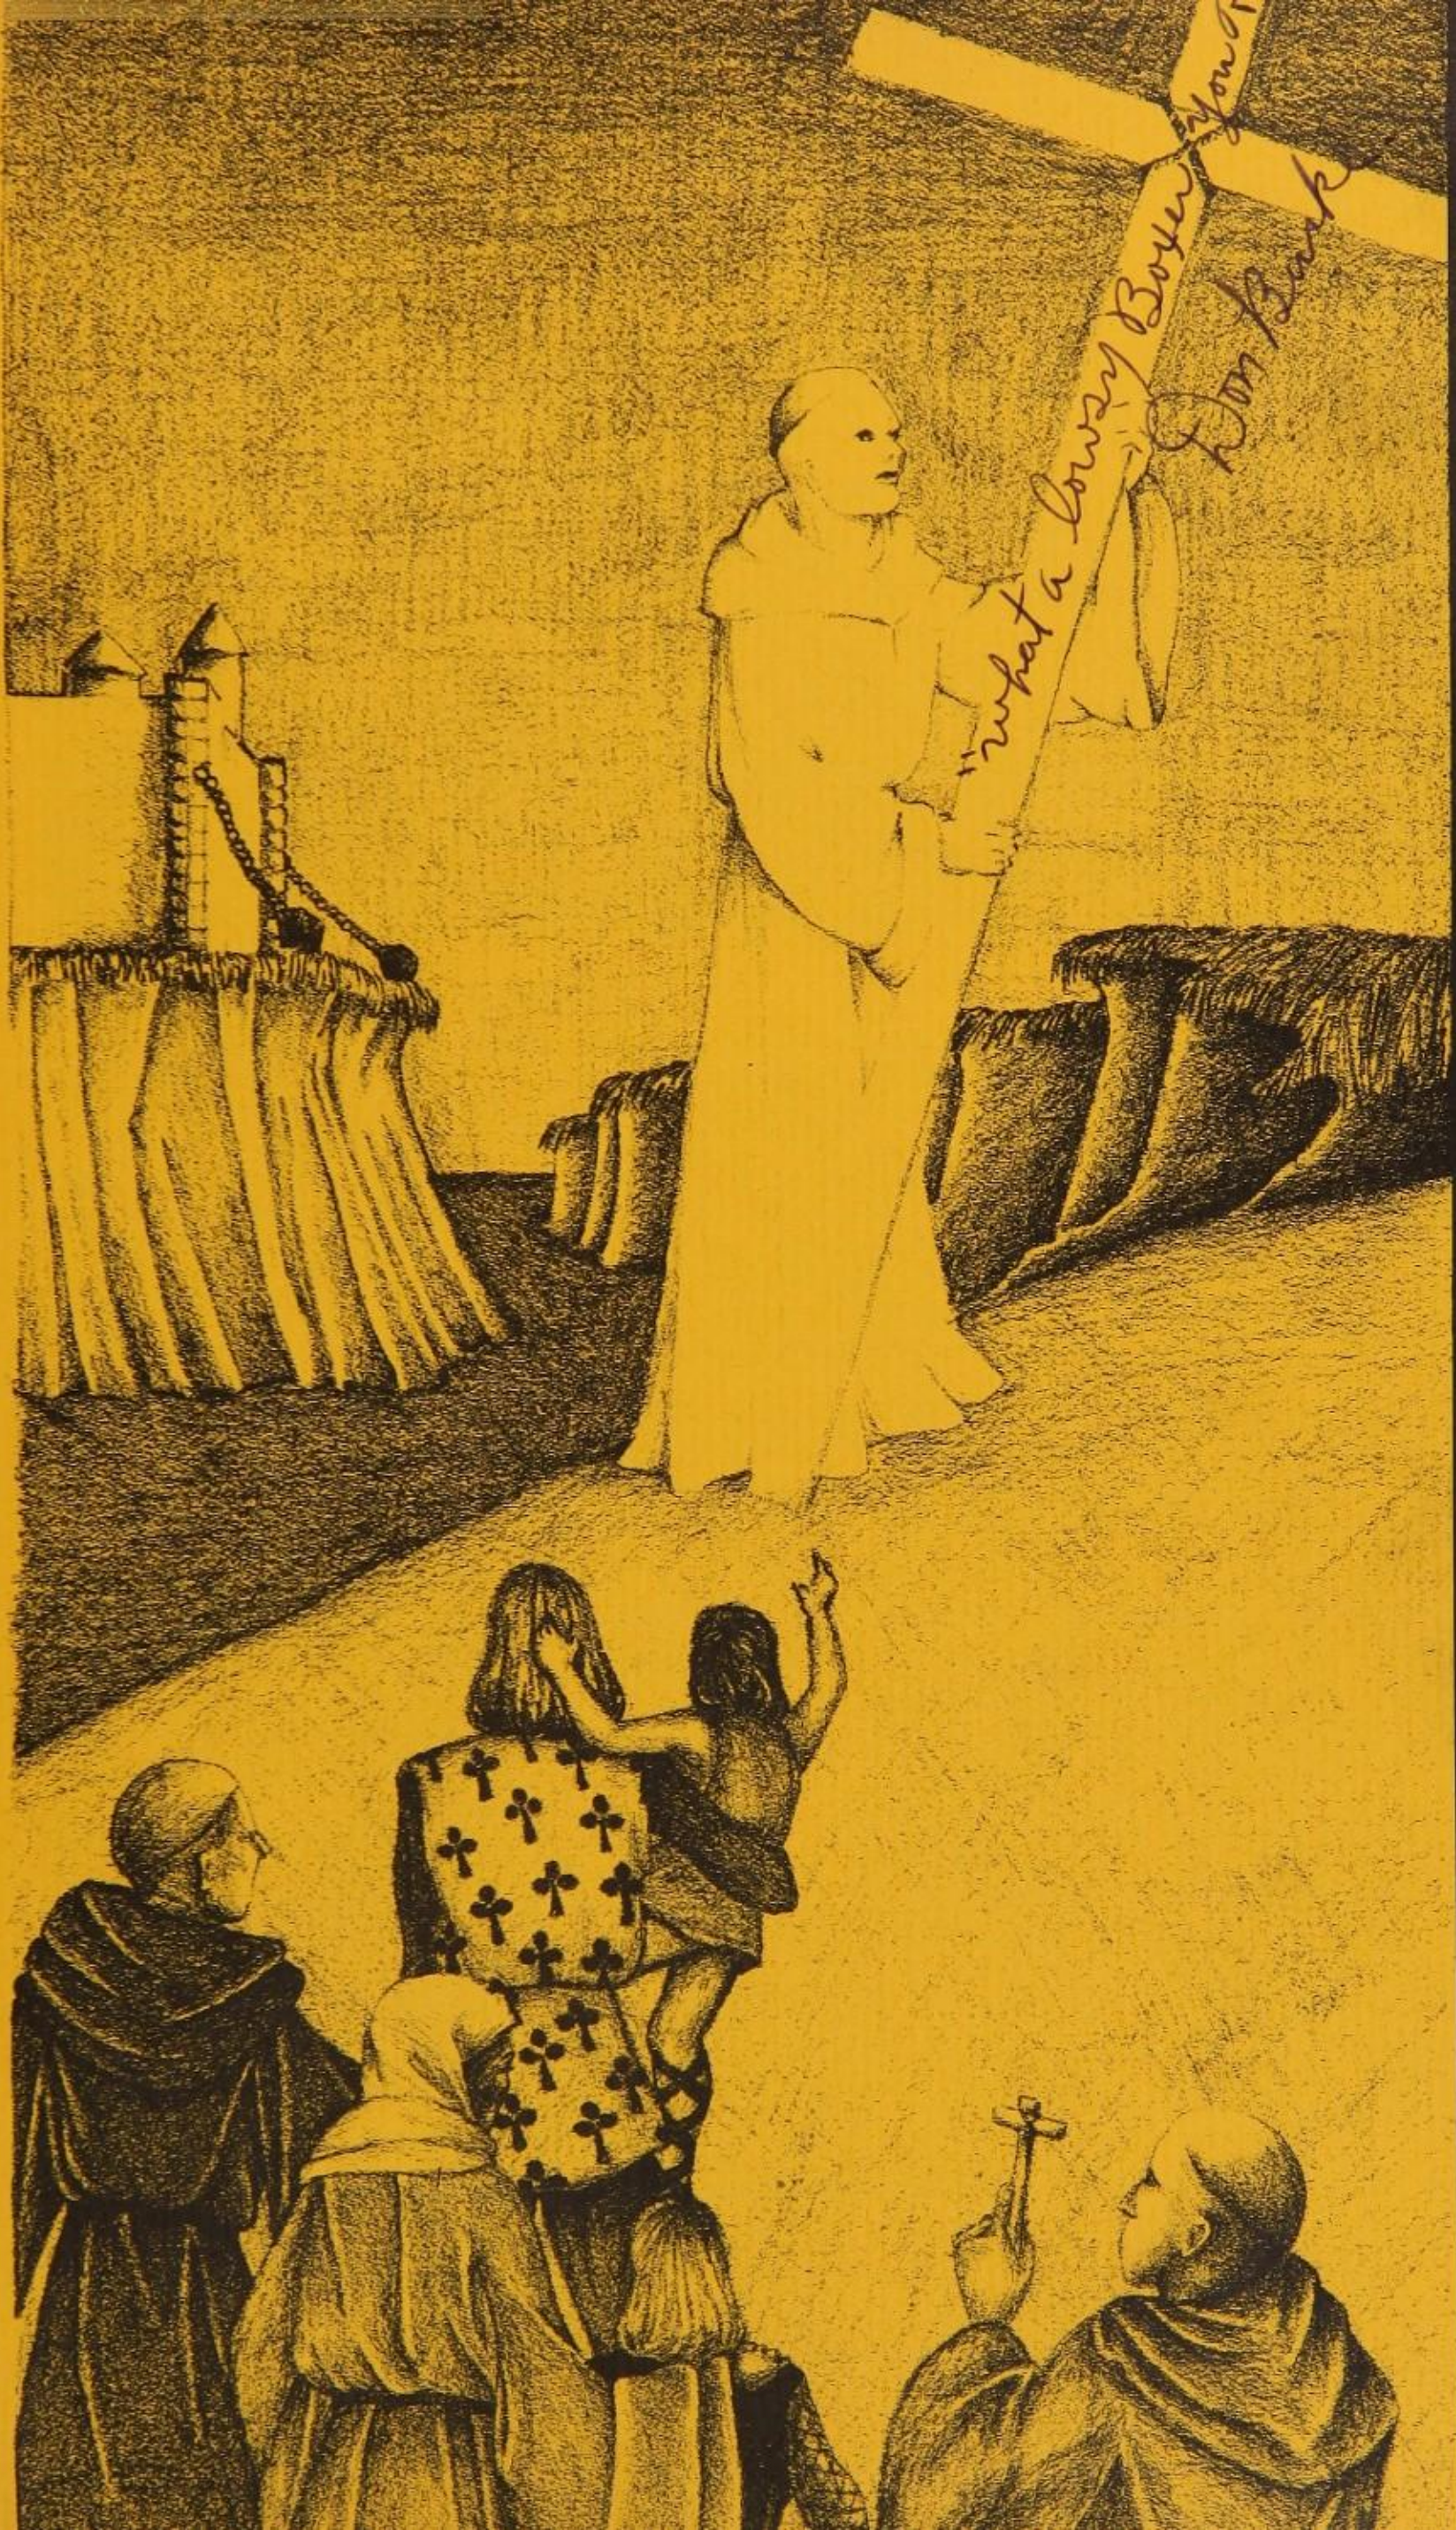

I pray and hope that our idealism in America may produce some of the greatest leaders in the future. This will assure the perpetuation of our government and the highest ideals for which it stands.

ORGANIZATIONS

THE PALLADIAN SOCIETY

The members of the scholarship society, the Palladians, compose that group of individuals in the school who are superior in scholastic achievement. They are the enlightened possessors of the most priceless gift to which human beings are heir.

The Palladian Society is only one of a large group of such organizations in high schools throughout California. The Beverly Hills chapter is number one hundred and eighty-five of the California Scholarship Federation. Members are accorded due honors when in high school, and seal bearers, or life members are eligible for scholarships and other awards when graduated from secondary school. It is significant that the gold sealbearer lamps are the only high school pins which can be worn on a college campus. Such honors offer an incentive to all ambitious students who desire to attain membership in this outstanding state-wide organization.

Local activities include various types of social functions, club meetings, and public presentations. Members wear the torch pin which is the emblem of the club.

Officers: President, Ned Boyer and Bob Belden; Vice-President, Boys', Gerald Sieck; Girls', Ruthelen List; Secretary, Mary Alice Madden and Tru Bolin; Treasurer, Julian Blodgett and Warren Kittell.

For citizenship, scholarship, sportsmanship, girls are chosen for the Alphas. The aims of the club are school service and participation in school activities. An important extra-curricular activity in which the club engages is philanthropic in nature. The members help with the Christmas at Albion, provide Thanksgiving baskets, and keep a fund in Mrs. Davis' office which may be used by the girls who need financial aid. Mrs. Blanche E. They are chosen for their splendid sportsmanship, for willingness in school service, and for the encouragement of school loyalty. The principal ideas for Knighthood are conscientious dependability, willingness for the betterment of their school, satisfactory citizenship throughout school, recommended scholastic achievements, and finally, an interest in activities, including athletics. The Knights are sponsored by Dr. Ayres, Boys' Vice-Principal, and by Dr. Lowell Frost. The Knights had as their head in the fall, Bill Jess, and in the spring, Jim Stewart. The membership is limited to four per cent of the Boys' League and upper classmen.

However, one does not necessarily need to be an athlete to be taken in, but must have done something for the school. The Hi-Y organization is incorporated in nearly every school in California and is a branch of the Y.M.C.A. The aim is "To create, maintain, and extend throughout the school and community the high standards of Christian character."

This year the club has devoted much of its time redecorating a room at the Kiddie Home, an orphanage in Los Angeles, and giving the children a Hallowe'en party. Miss Anita Wiel is the school sponsor, and Mrs. Martha Wheaton is the sponsor who directs the outside work. A triangle in a circle on a powder blue sweater is the club insignia. In order to promote scouting among the troops in the Crescent Bay Council the club makes it a point to give demonstrations to several troops as many times as possible during the scout year. These dances brought in money which was used to help the members reach their goal, which is to build a very powerful short wave transmitter. They have built about one-fifth of it already. This set to be operated by the members, will really put Beverly on the map in many foreign countries. In the meetings the members study radio technique and prepare to get their amateurs' licenses.

The members, both the learned and the learning, meet after school each Thursday of the week to enjoy an afternoon game or two. VARSITY LETTERMEN'S CLUB

The Varsity Lettermen's Club, although started several years ago, only began as a well-organized unit this semester. Under the leadership of Tom Farrell and Sponsor John Canady the club ordained a constitution and became an honor organization. The one requisite is a varsity letter in any sport, and no majority vote is necessary for admission. At the refounding of the club a parchment was signed by those present, and those signing are considered the charter members. The club met in the gym every Wednesday night and had inter-club tournaments. The insignia is a gold letter B pin. Presidents for first and second semesters were Bob Moulton and Tom Farrell respectively.

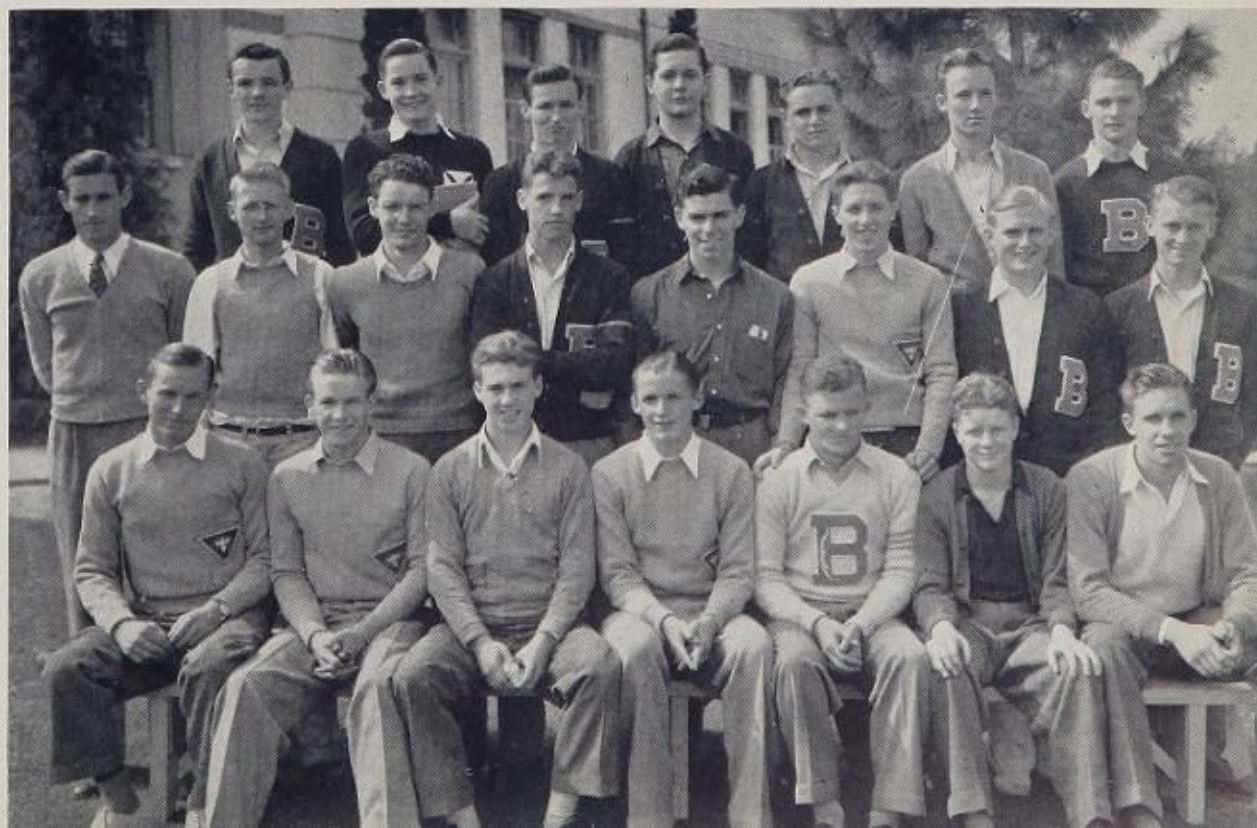

CHARTER MEMBERS: Bob Chapman, Bill Chapman, Byrd Christian, Ned Crist, Bill Englebert, Tom Farrell, Bill Galloway, Bob Gordon, Frank Hintze, Rennie Kelly, Usher Knadle, Theo Linhart, Lincoln MacLise, Stan McKenzie, Walt McKenzie, Charles Merrell, Bob Merrell, Bob Moulton, Don Nicholson, George Oliver, Carlton Peterson, Bill Reedy, Bill Reinecke, Jim Stewart, Ted Vandling, Art Waller, Jim White, David Williams.

LITTLE "B" CLUB

Mr. Sax Elliott sponsors the lightweight lettermen's club which was formed in 1932 by an enterprising group. It was decided at that time that admission into the organization would be by a majority vote. The main requisite for entrance into the club is a "B" letter in any sport. This club has been very active in school activities, and one of its duties is guarding at all athletic events. It is the responsibility of the president to supervise the guarding.

Officers: Presidents, Frank Hintze and Bob Reeser, Secretaries, Bob Reeser and John Grant.

Membership: Arny Ballentyne, Don Berger, Dick Bendheim, Julian Blodgett, Allan Boal, Chuck Boggs, Dick Cochran, Ned Crist, Bill Erwin, Bill Fleming, Martin Gavin, Jack Gibbans, John Grant, Parshal Henry, Frank Hintze, Gordon Hodge, Bill Janss, Rennie Kelly, Warren Lewis, Matt Mahana, Bud Mills, Frank Mills, Jack Olilvie, Hampton Peterson, Dick Potter, Bob Reeser, George Ross, Jack Rosenberg, Doug Seehorn, Gerald Sieck, Jim Stewart, Bill Walkup, Jimmie Wright.

Dear Friends:

It's rather odd that I, who left school—by request—at the age of eleven, should be addressing a group of high school students.

My education came from rubbing elbows with people and from reading on trains. When you've read what follows, you'll probably arrive at the conclusion that there hasn't been enough "elbow-rubbing" in my life, and that my train travel has consisted of one subway ride.

I assume that this portion of the Annual will give praise where it is due; will in other words, commend the leaders in your various fields of activity. Congratulations to them.

Congratulations also to those members of your school who "follow the leader". How very foolish a leader must look who has no followers! I am inclined to think there is just as much of an art in being a successful follower as there is in being the one who heads the line.

Dramatics, music, debating—splendid in themselves. But that these activities will ultimately make leaders of some of you, and followers of others, is far more important. World events of today serve to show us only too clearly how necessary it is going to be in the future to have cooperation between the leaders and the followers.

You are both, and we of the passing generation, who have made progress and errors, depend upon you.

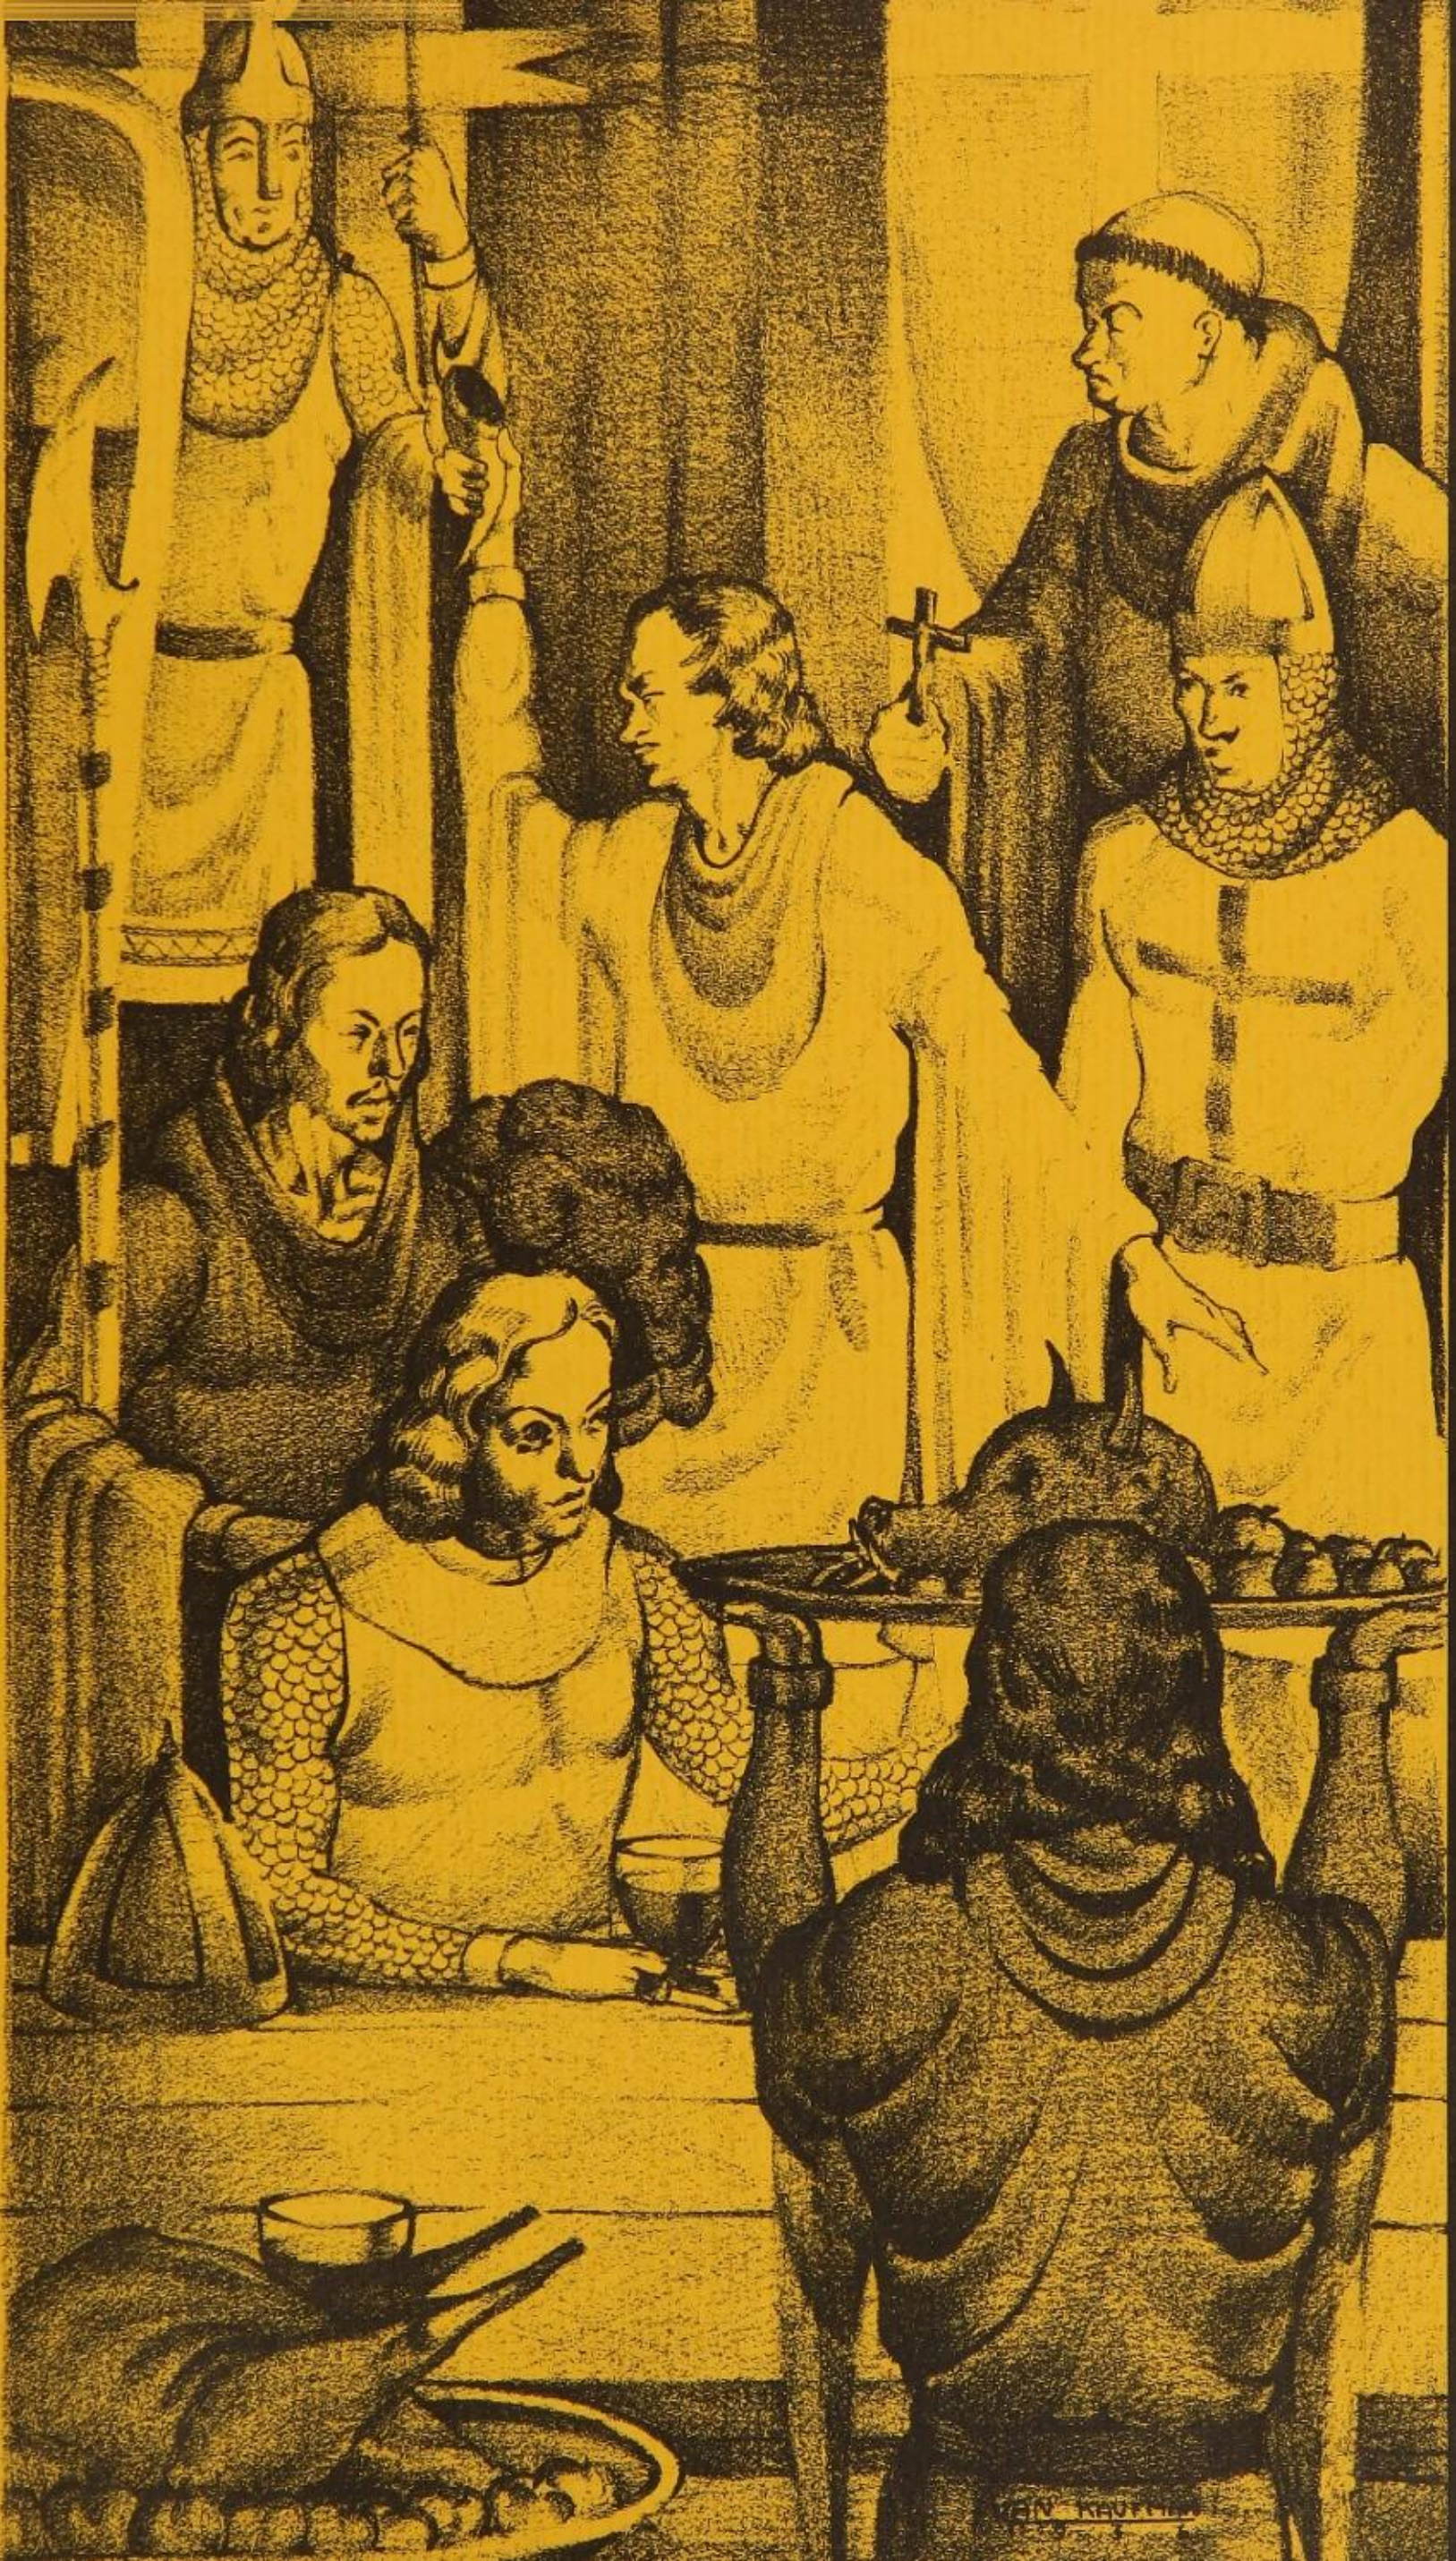

It's a challenge—best of luck!

Sincerely,

Eddie Cantor

WATCHTOWER

The WATCHTOWER is Beverly's history book. It records Beverly's achievements, activities, and daily life in an annual designed to be interesting and artistically attractive. The Watchtower Staff, in compiling, writing, and helping to photograph the events which are reviewed in the book renders a great service. The business department of the Staff takes charge of sales and handling of the funds.

Another valuable contribution is made by the Watchtower Art Staff, in making these pages decorative and more interesting. Thanks is due this year to the following: Roy Akiyama, Freddie Hatch, Helen Houston, Mary Kidd, Marion Kirby, Betty Kirkpatrick, Jackie Landine, Lucille Malan, Bob Moore, Carlton Peterson, Harriet Scott, Mary Dawn Tanner, Shirlee Woodhouse, and Ted Wright for his cover-design. Jack Arterburn took many of the pictures in the book and helped in general with the photography.

As with all groups of enterprising workers, especially those who are still inexperienced, success depends in a large measure upon direction and organization by trained leaders. To three very skillful leaders the Watchtower owes thanks:

To Mrs. Monna Eagle for general supervision and tireless efforts in organization of all the work.

To Mrs. Caroline Bennett for direction of the art work and invaluable help in the book's make-up.

To Mr. James R. Lee, who cheerfully and efficiently assumed the responsibility of supervising all business activities.

HIGHLIGHTS

Since school news is of such vital interest to every student, the school paper is one of the most important of school activities. The Beverly Hills High Lights began its important function this year under the editorship of Betty Lee Duncan. On her shoulders fell the burden of preserving traditions and at the same time welcoming new ideas.

During the second semester Jack Beaver was the editor, and it was during this period that several mechanical differences were made in the paper's set-up and a new masthead was chosen. The advisers were Miss Eunice Schmidt, journalism, and Mr. Andrew Good, printing. The "high light" of the year was Norman Day at the Beverly Hills Citizen. The High Lights staff published one edition of the Beverly paper. Sanford Mock served as editor for that time.

DEBATE AND PUBLIC SPEAKING

Beverly Hills High School's debate teams, coached by Mr. Charles Wright, scored remarkable records in all forms of forensics. They have participated in three forensic meets, three panel discussions, and sixty-six debates, of which they lost only six. They defeated such representative Southern California high schools as Los Angeles, Venice, Hollywood, Franklin, Citrus Union, Pasadena, San Bernardino, Grossmont, Santa Monica, Redlands, and many others.

In the Southern California Debate League Beverly was undefeated, losing the vote of only one judge all year.

In the first round of League competition Al Moses and Sherman Mellinkoff defeated Venice High by a 3 to 0 decision, on the negative of, "Resolved: That the Several States Should Enact Legislation Providing for a System of Complete Medical Care Available to All Citizens at Public Expense."

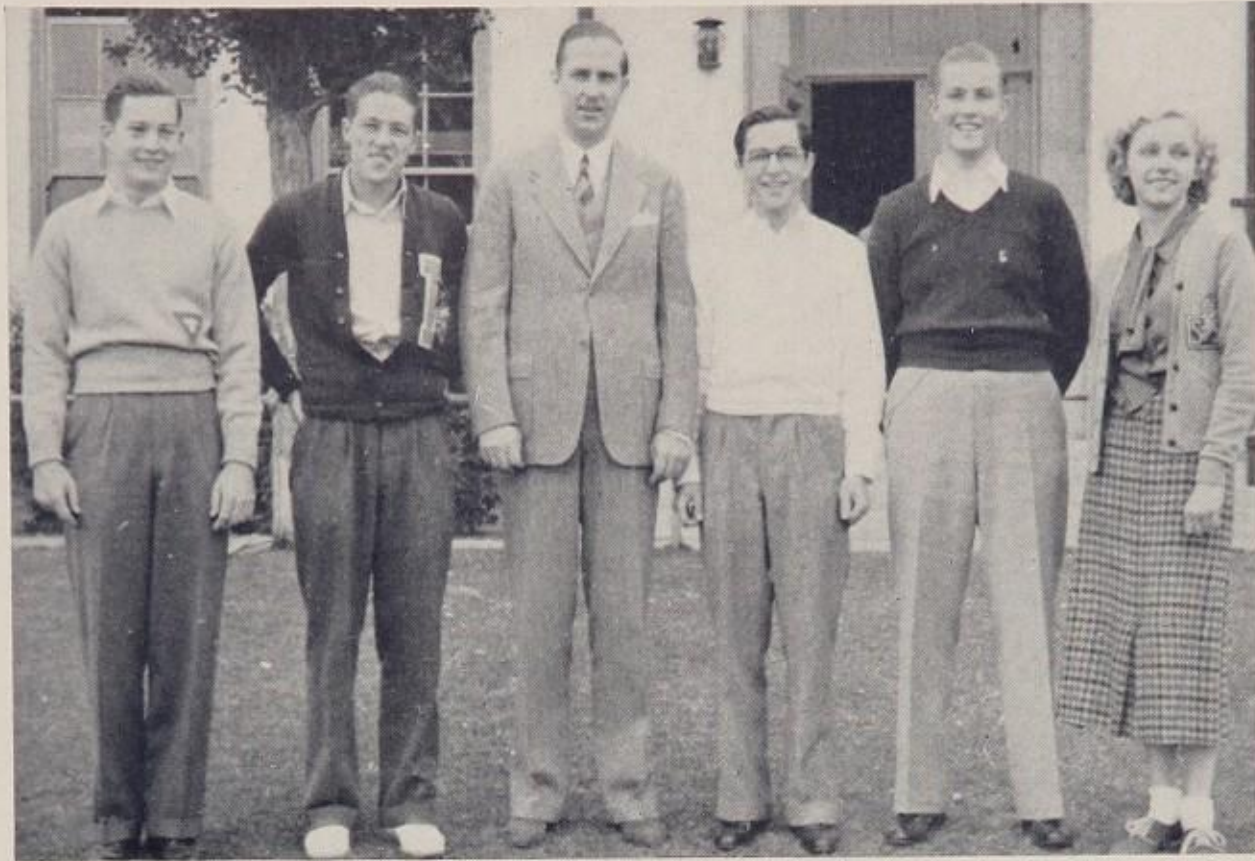

The next round resulted in a win for Beverly over Citrus Union High School with only one critic judge. Don Fox and Sherman Mellinkoff took the negative of, "Resolved: That Modern Newspapers Are Detrimental to the Best Interests of the American People."

Then in the semi-finals Jim Stewart and Bob Moulton successfully represented Beverly against a strong Franklin High team, winning a 2 to 1 verdict. Beverly upheld the negative of, "Resolved: That Japan Should Be Accorded Naval Parity With the United States."

The Championship round with Hollywood High aroused great interest over the question, "Resolved: That the Chain Store Tax Bill Should Be Approved." This debate drew a league record crowd of 1,000. Bob Moulton and Sherman Mellinkoff won a 3 to 0 decision on the negative and brought the League's large silver trophy to Beverly Hills for the first time. Final standing of the League leaders was as follows: Beverly Hills—26; Hollywood—19; Bakersfield—16.

Debate squad September to February: Sherman Mellinkoff, Don Fox, Dan Ullman, Al Moses, Bob Moulton, Jim Stewart, Mary Nulsen, Nadine Hegler, Martin Gavin, Bill Janss, William MacKinnon, Mildred Davies, Betty Lierman, Barbara Bartlett, Leroy Johnson, George Gray, and Jack Irving.

Debate Squad February to June: Attila Jean Bond, Clyde Carpenter, Bob Hine, Jack Irving, Margretta Jakobsen, Bob Libott, William MacKinnon, Sherman Mellinkoff, Bob Moulton, Mary Nulsen, George Oliver, Ruth Pottle, Jim Stewart, and Bob Ruben.

REDLANDS FORENSIC TOURNAMENT TEAM

In the Los Angeles Junior College Invitational Forensic Meet, Beverly had only two entrants. Bob Libbott, Beverly Freshman, and William MacKinnon, also of Beverly, took third and fifth, respectively, in Impromptu Speaking. In doing this they defeated representatives from four high schools, fifteen junior colleges, and four universities. Bill MacKinnon just missed reaching the finals in Oratory.

This year saw Beverly's first entrance into the California State Forensic Contest, held at Redlands University. At the end of the first day of competition, April 17, Beverly had seven out of a possible eight contestants or teams remaining in the semi-finals, breaking the previous record of five made by Bakersfield High School two years ago. Ruth Pottle and Sherman Mellinkoff were entered in Declamation, the latter reaching the semi-finals. In Oratory, Bob Hine earned the right to represent California in the National Tournament, and Jim Stewart reached the semi-finals. In Extemporaneous Speaking, Sherman Mellinkoff won the state championship, and Bob Moulton was one of the seven finalists. Jim Stewart and Bob Moulton went to the semi-finals in debate, and Don Fox and Sherman Mellinkoff, also entered in Debate, placed fourth in the state. With this record of team achievement Beverly won the California Team Forensic Championship, based upon a point system throughout the tournament. Beverly's team of six earned 31 points, and Bakersfield, last year's champion, came a close second at 30 points with a squad of ten. San Bernardino tied for second. Thirty teams with 150 contestants competed.

ROBERT HINE

SHERMAN MELLINKOFF

Sherman Mellinkoff represented California at the National Forensic Tournament in Extemporaneous Speaking. The contest was held at Oklahoma City and drew 750 of the best high school speakers in the United States. He placed above all but four states to win sixth place, a gold medal, and the offer of a university scholarship.

Bob Hine also represented California at the Nationals, competing in Prepared Oratory. Although only a sophomore, he just missed getting into the finals by one point and beat the oratorical talent of twenty-one states. Bob will return for competition next year and stands an excellent chance of accomplishing even more. He also won third place medal in the Southern California Debate League Oratorical Contest.

Considering the magnitude of Beverly's inter-school speech activities and the number of important contests won, 1935-1936 has witnessed the most successful forensic season in the history of Beverly Hills High School.

A CAPPELLA CHOIR

One of the new features of the A Cappella Choir this year was the acquisition of choir robes. A well-attended pay assembly during this semester in the form of Beverly's first Amateur Show, was held for the purpose of raising money for the robes. With Bob Beckham and Dick Bendheim as announcers, and many talented contestants, the program was broadcast over KMPC. The robes are outstanding in style and color and lend themselves as fitting background to the choir's type of singing. They are regal purple, smartly pleated, and closely fitted. The robes are not for everyday wear but will be used at all public performances. The A Capella Choir displayed their robes for the first time at the Music Department Concert on May 7. Conductor of the singing group is Mr. Glenn Case.

MUSIC DEPARTMENT

The music department at Beverly under the leadership of Mr. Glen Case, Mr. George Wright, and Mrs. Leah Moore, has enjoyed a year of intensive study and interesting activities.

The choral group, consisting of both boys' and girls' glee clubs, together with our fine orchestra, scored tremendous popularity through their splendid musical programs and their concert, which was the first of its type to be presented to the students at Beverly.

The orchestra, under Mr. Wright's fine directing, forged rapidly ahead. In the orchestra are about fifty-five members. A new addition to the routine of the orchestra was to go to the public schools and give performances. The orchestra performed on May 15 at Hawthorne, and entertained at graduation, senior plays, and at many assemblies. The Norman Band, greater and bigger this year, stimulated much pep and school spirit. The band created a new feeling never shown before at Beverly, and well deserves credit for splendid effort and service. Band letters will be awarded to the outstanding members of the band. The letters will be a large letter "B" with the musician symbol, a lyre, situated in the center.

MUSIC DEPARTMENT CONCERT

The Music Department began a new Norman tradition this year when it presented an all-music program in the Auditorium the evening of May 7. The program was highly interesting and was presented with professional technique. The Girls' Junior and Senior Glee Clubs presented several numbers among which were "The Swan", and "Invocation to Life". "Lo, How a Rose E'er Blooming" and "John Peel" were two of the selections sung by the Boys' Glee Club. The A Cappella Choir, appearing for the first time in Choir robes, sang Nobel Cain's "Deep River" and Beethoven's beautiful "Vesper Hymn". The Orchestra played "Intermezzo" from "L'Arlessienne" by the French composer, Bizet. The highlight of the evening was the orchestra's presentation of Beethoven's Fifth Symphony. The various compositions were conducted by Mr. George Wright and Mr. Glenn Case.

THE QUEEN'S HUSBAND

The Queen's Husband is an hilarious comedy of the troubles of the timid King Eric, his overbearing wife, Queen Martha, his lovely daughter, Princess Anne, and a kingdom about to be thrown into Revolution. When the Queen goes to America on a diplomatic visit she leaves an open field for the king, who, up to this time, has had little to say in matters of government or romance. He wishes to help the princess and his own secretary, who are very much in love, into marriage, to which the Queen, of course, objected.

A Revolution, the ousting of the pompous prime minister, General Northrup, and the wily diplomat, Lord Birkman, remake the character of the timid king into that of a right-ful and royal ruler.

BLACK FLAMINGO

"The Black Flamingo", by Mr. Sam Janney, is a thrilling mystery of the year 1789. The action takes place in an old castle, used as an inn, in the north of France on the road to Vienne Le Chateau. The plot is of unusual interest and the cast of weird characters tends to arouse great excitement.

The advanced drama students presented this successful play under the direction of Mr. Robert Whitten.

BEVERLY HOTEL

PRESENTED BY WINTER CLASS 1936

Entertaining with an abundance of talent in singing, dancing, and original comic sketches, the February, 1936, graduating class presented for their Color Day an entertaining vaudeville show entitled "Beverly Hotel". As the name implies, the action took place in an imaginary hotel. From Loyd's Knutson's presentation of "Whitey" Knutson and his Orchestra to the march of the class to the auditorium stage with their senior sweaters, the production was skillfully organized.

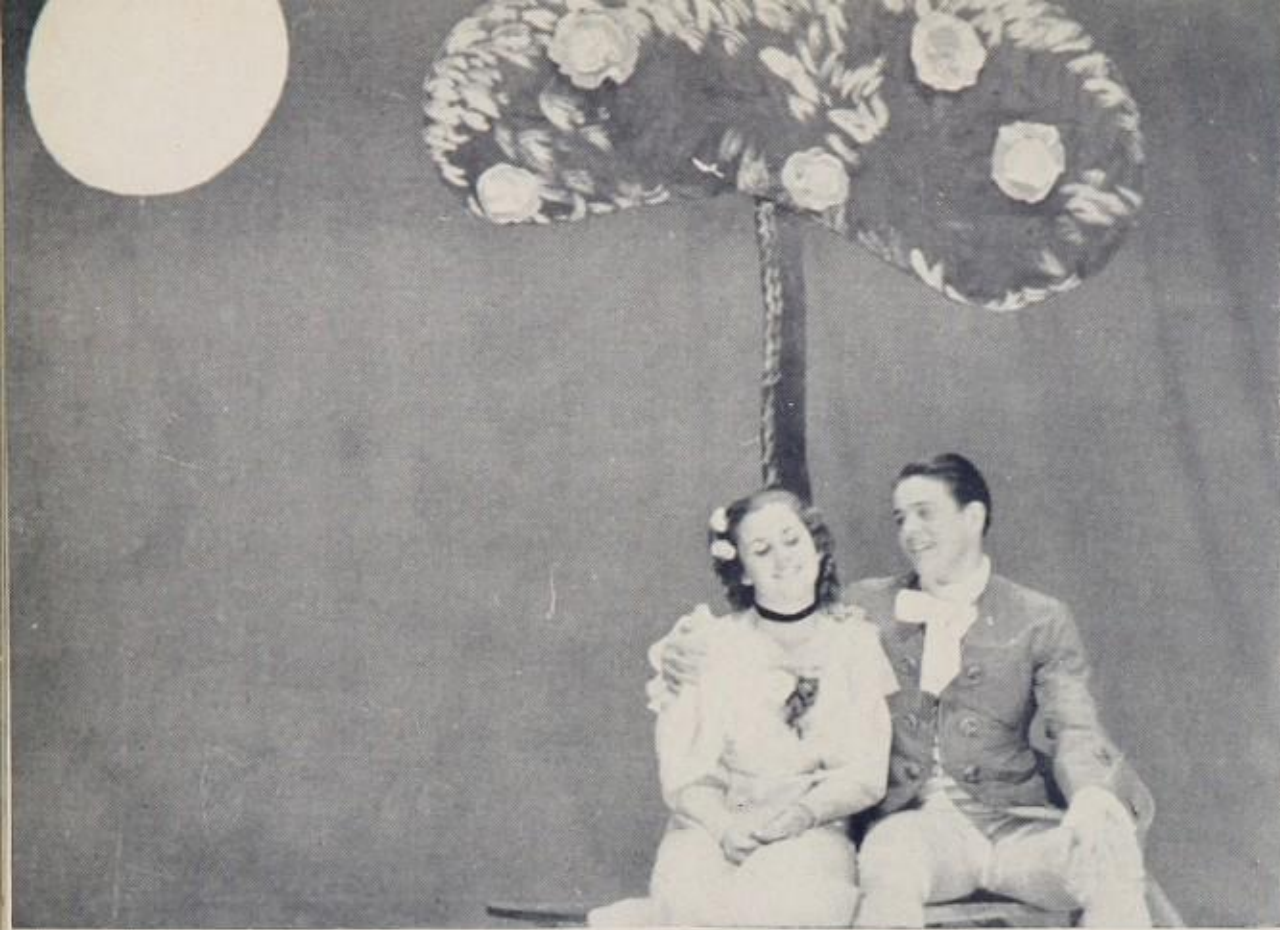

BEVERLY PREMIERE

PRESENTED BY SUMMER CLASS 1936

With the exterior of a theatre, in imitation of Grauman's Chinese, as the setting, the graduating class of June, 1936, offered on their Color Day "Beverly Premiere." With a real likeness to a Hollywood premiere and its confusing crowds and autograph seekers, the Seniors entertained the assembly with amusing imitations of various members of the movie colony as well as song and dance numbers.

TIN CAN ASSEMBLY

The first number on the program was a short play entitled "Words and Music" by Agnes Peterson. It is a light comedy concerning the troubles of a temperamental song writer, Pierrot (Bob Ruben) and his devoted wife (Jeanne Duran). Complications arise when the song writer's blustering patron (Charles Berger) brings his frivolous wife (Jean Bishop) to visit Pierrot when he is trying to write a masterpiece about the birds and the flowers.

The second production for the Tin Can Assembly was a play entitled "Between Scenes". It concerned a dialogue between two movie extras (Josephine Butler and Ronald Cooley) resting between "shots" for a Hollywood movie. Both plays were directed by Miss Gene Nielson.

The Boys' Verse-reading Choir produced Vachel Lindsay's "The Congo" for the same assembly. It was effectively done with costumes and atmospheric lighting.

WATCHTOWER ASSEMBLY

"The Valiant", a one-act play by Hall and Middlemass, was produced for the benefit of the Watchtower under the direction of Mr. Robert Whitten and Jim Sprigg. The scene took place in the Warden's office of a large state penitentiary, shortly before midnight. Mr. Wright and the orchestra played several selections. Thanks are due Mrs. Bennett, Mrs. Phillips, and their classes for posters.

THE CHRISTMAS PAGEANT

The art, drama, and music classes joined to present a colorful portrayal of a Christmas Story in a student-body assembly. The pageant consisted of four episodes: the manger scene; the castle scene, depicting a medieval noel; an old Southern Christmas scene; and a modern street scene and Christmas house party. The production was culminated in the epilogue, in which all four groups met in the cathedral to worship together.

FEBRUARY 22, 1936

STAGE CREW

SHAKESPEAREAN FESTIVAL

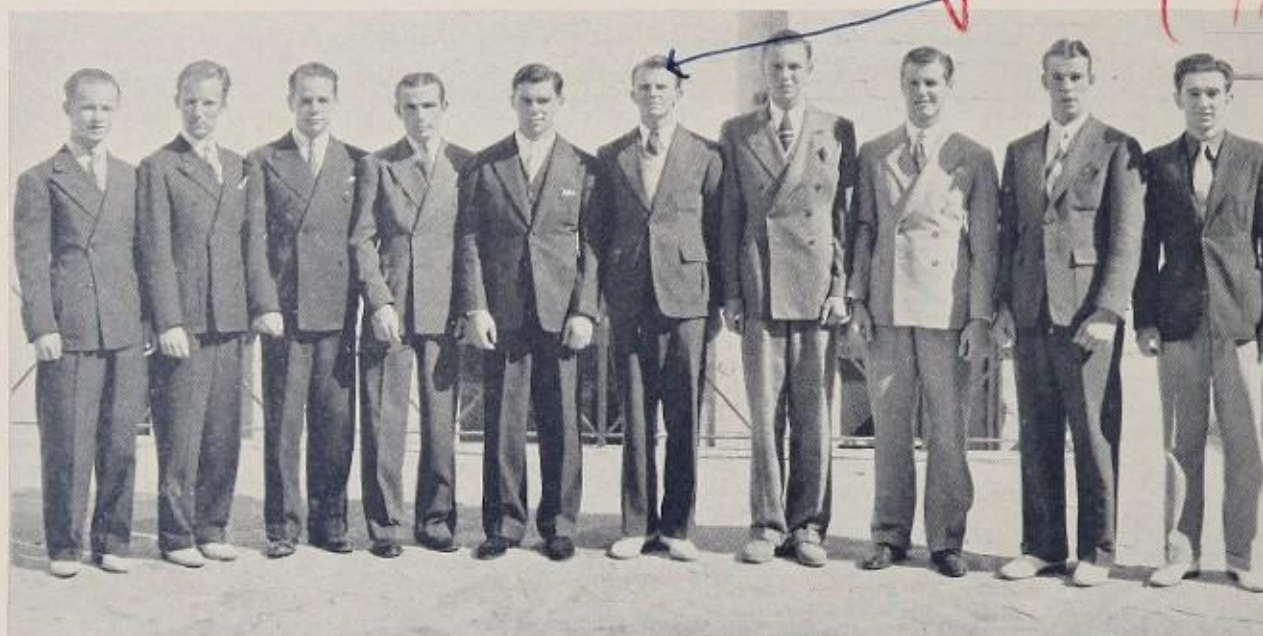

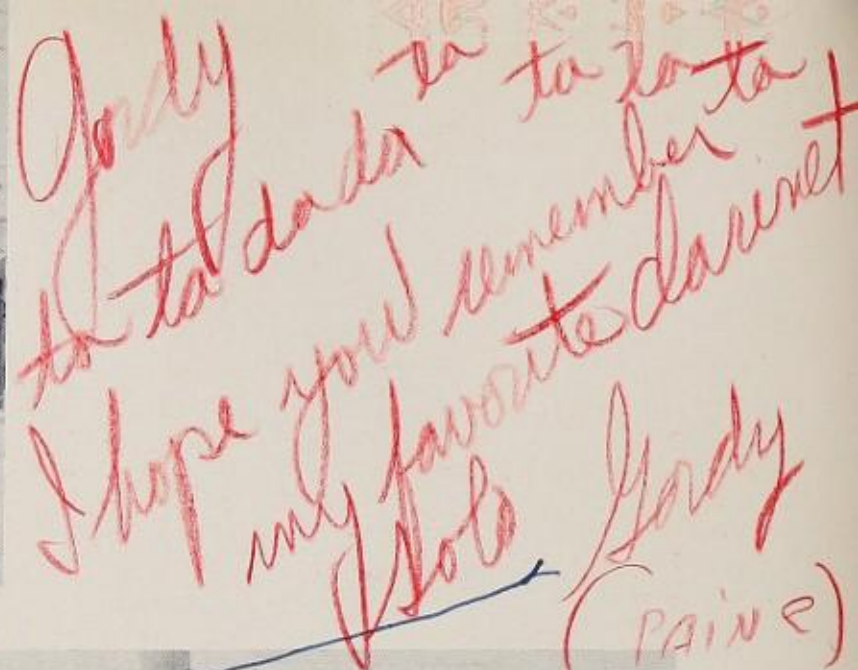

During the week of April twenty-third the Student Body had the privilege of witnessing Beverly's first Shakespearean Festival, presented in the little theatre of room 190.

Throughout the performance over a thousand students became acquainted with the charm and culture of "The Bard of Avon" who was placed where he belongs on the stage.

Those students who witnessed these Globe Theatre presentations have won a new understanding of Shakespeare, that master dramatist, for all who saw the performances were entirely captivated by the charm and wit of the lines so ably spoken by a sincere and versatile group of players.

The deep significance and glowing success of Beverly's initial Shakespearean Festival assure its being an annual event.

An entirely new experience was brought to Beverly this year by the drama class in the form of a verse reading choir.

This reading of poetry in unison, thought by many to be a new thing, is probably one of the oldest forms of dramatic art. Older, even, than the chanting choruses of the ancient Greeks.

In the revival of this novel field of artistic expression, one finds the true beauty of the voice. Delightful are the contrasts of tone range and rhythm creating a melodious effect that is a joy and pleasure to hear.

The following are members of the choir:

Girls: Jean Dawson, Avalane Ezer, Barbara Lee James, Ann Pelliciotti, Joyce Pesterre, Ruth Pottle, Carolyn Rice, Jean Russell, Katheryn Spain, Jeanne Vander Pyl, June Wade, Louise Wason.

Boys: Jack Cotton, Bill Huber, Willard Keith, George Larson, Phil Leonard, Gordon Payne, Bill Reinecke, Jack Rosenberg, George Ross, Paul Thompson, David Williams, Gordon Payne.

ART PAGEANT

"Stolen Beauty", an original dramatic pantomime, was presented by the pageantry class. This was truly a class assembly, because the students wrote the play, they designed and made the costumes, and they portrayed the characters. Mrs. Lohman's creative dancing class took part in the production. Many musical recordings, that were chosen by the class, accompanied them. To arouse the interest of the student body the class took charge of posters and of the ticket sales.

All in all it was a complete theatrical production from the conception of the plot by the class to the final presentation. Miss Brown was in charge, and Mrs. Phillips assisted on the stage.

ART ASSEMBLY

The Art Department Assembly was divided into three divisions, creative dances, a puppet show, and a fashion show. Mrs. Lohman's creative dancing class presented five numbers, which were planned by the class. Mrs. Phillips' stage costume class assisted by making costumes.

These were followed by a marionette comedy, "The Pie-Eyed Piper," which is an original Yale Puppeteer play. Miss Brown's class designed and made the puppets and presented the play.

The last division illustrated the type of clothes best suited to the individual, according to color, suitability, and type. Four definite color types were presented, showing the colors best suited. Then four individual types were shown with proper accessories matching their costumes. Van Kaufman and Leon Lyon demonstrated by drawings the influence of historical costume design.

If I were asked to give my opinion on what the youth of America need most today, I would unhesitatingly answer, they need courage.

The tendency of youth life is toward softness. Most parents who have had to endure hard work and hardships, desire to protect their children from a similar experience. Much of the family cooperative needs for living have been done away with by modern invention and ways of living. Once every child had his assignments in the work attached to the home, and as much of this was physical, it tended to develop certain virile qualities in youth. The boys and girls of today have a lot more leisure than those of previous generations. The lure of social events and use of automobiles also strongly lend their influence in the softening process.

The one strong interest of youth, which stands as a bulwark to serious disintegration, is athletic sports. Fortunately, the schools of California require a certain amount of participation in athletic skills and games. These not only develop tastes for athletic sports but up to a certain age give physical training and aid in the development of virile qualities, of which physical courage becomes gradually more prominent.

Every boy and girl ought to covet every possible chance to learn athletic skills and to participate in sports from the standpoint of getting mental and moral values out of it.

Athletic sport teaches youth to be able to "take it", to be able to stand the physical and mental raps and not to mind them, to give and take and not flinch nor squeal in the process but accept what comes as part of the game. The development of sustained courage and perseverance, ability to fight when the odds are against one, are essentials to real manhood and to real womanhood.

COACH NICOLAS

VARSIITY FOOTBALL

The Norman Varsity this year, with very little material and a very light squad, fought their way through one of the hardest schedules ever to be played by a Beverly team. Every game proved the Norman Varsity to be one of the hardest fighting and most courageous teams ever to represent Beverly.

Coach Nicolas deserves much credit for the well drilled and well organized outfit which he put on the field. Of the linemen, Kay Reeser, Byrd Christian, Bill Rosenberg, and Stan McKenzie were outstanding. McKenzie landed a second string berth on the mythical All-League Team. In the backfield Don Nicholson, Mel Brooks, Tom Farrel, and Walt McKenzie were outstanding. Nicholson was the most consistent performer. Walt McKenzie, due to his stellar blocking and consistent fine playing, is captain-elect of next year's team.

The opening League game of the season, which was one of the outstanding athletic events of the year, was played with Hoover High in San Diego. Beverly met defeat in a very hard fought game. In the remaining five games of the season Beverly went down to defeat with the exception of one 18 to 6 win over Compton.

In spite of these defeats the team deserves much credit. Coach Nicolas was greatly hindered in putting out his first Beverly team because of lack of heavy and experienced players. The determination and fighting spirit of the team, in the face of overwhelming odds, along with the fine support of the student body, will long be remembered in the history of Beverly.

VARSITY FOOTBALL GAMES

Hoover—The first Bay League athletic event was a success in that it was Beverly's first organized road trip. Seven hundred Normans traveled en masse to San Diego and cheered for the Beverly eleven. The team, however, was up against a superior, heavier outfit and dropped a hard-fought game, 18-0. The score does not indicate the closeness of the game, as the Normans fought a much heavier team on even terms until an intercepted pass and a sixty yard run demoralized them. Mel Brooks and Don Nicholson were outstanding for the Normans, while Engle and Gibson starred for Hoover.

Inglewood—Play on one of the hottest days of the entire season, the second League encounter was disappointing to Beverly supporters. The Normans were without the services of Bill Rosenberg and Byrd Christian and were badly outclassed. The final score was 26-2 with Sparling of the Sentinels the star of the game.

Wilson—The first league game played at home, the Wilson contest was a hard-fought game won by the Bruins by a 9-0 score. This game was the most gruelling test the Normans met all year. Wilson scored on a line-play and a safety by Bud Pillow when he received a bad pass from center. Pillow's 65 yard runback of the kickoff was the standout performance of the day.

Compton—Beverly had cause to rejoice after this game, as it was the only League encounter won by the Norman gridders. They held the upper hand throughout the game, and the lead was never threatened. The final score was 18-7 with Walt McKenzie, Don Nicholson, and Bob Gordon scoring for Beverly. Byrd Christian was a rock of Gibraltar on defense at tackle.

Redondo—Hailed as one of the heaviest high school grid teams in the country, the Seahawks came to the Beverly gridiron a heavy favorite. On the kickoff Bill Rosenberg was injured and forced to leave the game with a broken collar bone. For two quarters Redondo, with the Colmer brothers running wild, had the upper hand and led 7-0 at half time. In the third quarter, however, the Normans, led by Captain Don Nicholson, scored a touchdown but failed to convert. With the help of some great line play on the part of Kay Reeser, the Seahawks were powerless in the second half. In the final minutes of play the Normans were down on the Redondo seven yard line and tried a pass to win the game, but it was intercepted by Jay Colmer and only a desperate tackle by Tom Farrell saved Beverly from being scored upon again. The game ended with the score 7-6 in favor of Redondo.

Santa Monica—The Vikings, led by All-Southern California Halfback, George Sims, proved too much for the worn-out Norman grid machine and defeated them 26-0 in the last game of the season. Beverly had three scoring chances but failed to capitalize because of fumbled passes, which were the Normans' chief difficulty all season. At the termination of this game Beverly's first season in the Bay League was ended. As a result of their play throughout the season, Captain Don Nicholson and Tackle Stan McKenzie were elected to the Second All-Bay League Team.

LIGHTWEIGHT FOOTBALL

The Beverly "Bees" entered Bay League competition in September with good material and were expected to go far in their football season. Coached by Sax Elliot, they were a well-trained and smooth-working team.

In the first practice game of the season they were victorious over a strong Venice High team in a game that marked Beverly's first Bee victory over Venice. The next game resulted in a win over San Fernando, and then on the following Thursday, overconfidence and sloppy playing on the part of the Beverly team gave Van Nuys an undue victory.

In the opening league game Inglewood downed the Normans in a very close contest. The lightweights came back the following week to emerge victorious over Woodrow Wilson of Long Beach with four quarters of hard football and a last minute pass from Cadigan to Laverty. In the Compton game poor football on the part of Beverly for three quarters resulted in a 13 to 0 count against them at the beginning of the final period. In the fourth quarter the Normans came to life and put on a terrific drive for a touchdown but came out on the short end of a 13 to 6 score. The next encounter ended in an inexcusable defeat to a weak Redondo team. The last game of the season, with Santa Monica, was probably the hardest fought game the lightweights played. It was marked by the brilliant play of both teams. Beverly led by one touchdown until the final minute when Santa Monica tried a pass over the goal line. It was not complete, but the referee ruled interference and the game ended in a tie at 12 to 12.

Probably the most outstanding players on the team were Bill Walkup and Donny Berger. The latter was the mainstay of the line, playing his second year at tackle for the Bees. Bill Walkup's fine signal calling, accurate passing, and elusive running made him a capable captain.

BASKETBALL

The 1935-36 basketball campaign was unique in the fact that it was the initial appearance of a Beverly basketball team in the Bay League. Much was expected of the team but the results were not forthcoming and the squad finished the league season with two wins and four losses. It was the general consensus of opinion, however, that the Normans were a better team than any other except Redondo and possibly Santa Monica.

The squad had several practice games, two with both the U.S.C. and U.C.L.A. Frosh teams. The highlight of the practice season was a tour up to Taft and a game with the Taft High School team. The Normans were victorious in a 31-13 contest.

The one plausible reason of the team's failure to win games was the fact that the scoring threats could not get hot in a game at the same time. Also the team played but one league game full strength. In the rest of the games the squad was handicapped by illness or injuries. One interesting fact is that only two men on the team played in every game, Dick Bendheim and Bob Reeser.

The team was coached by Sax Elliot, former U.S.C. cage captain, who used a modified Barry offense. The center of the opposite side was the key play. The defense was most of the time strictly man to man. Next season, for the first half, all of last year's team will return except Captain Bob Moulton and Bill Janss. At mid-term graduation, however, eight lettermen will pass on to the halls of higher learning. Rennie Kelly was elected captain for the coming season.

LIGHTWEIGHT BASKETBALL

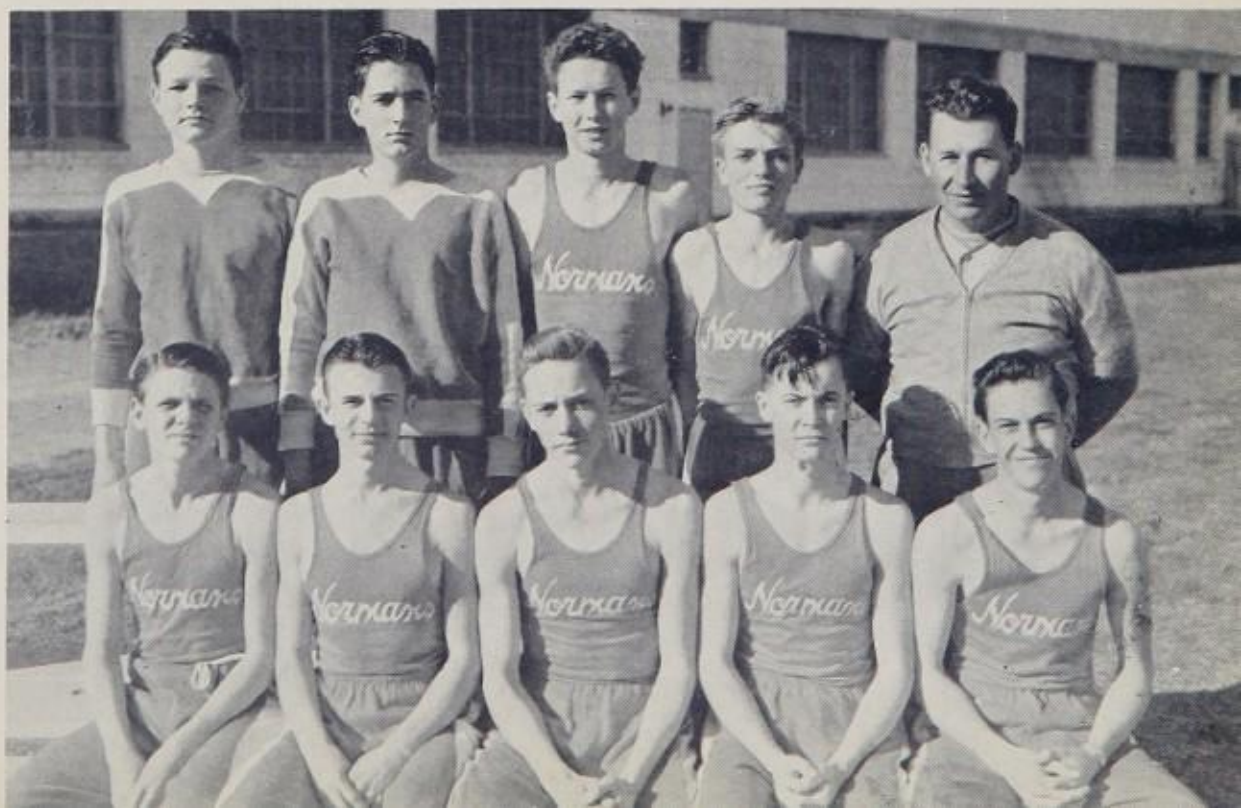

The Lightweight Basketball team, coached by John Canady, had a fairly successful season. Except for one really bad defeat, the games were very evenly matched. The games were all higher scoring affairs than the varsity, showing that the Bee games were more wide open and more interesting to the spectator.

The Bees lost their most valuable player when Howdy Reynolds graduated. This was Howdy's third year on the Bee squad and he was the most experienced man on the team. Captain Parshal Henry made the unofficial All-Bay League team and was high scorer of the Beverly quintet.

The Bees had the same league standing as the varsity, losing four games and winning two. The high point was the overtime victory over the Wilson five at the Long Beach armory. With the score tied at 14-14, substitute Gerry Sieck made a nice one-hand shot in the extra period to put the Normans ahead at the final gun. This was an unusual contest in that the varsity game was won in the last 15 seconds by a tip-in shot by Bill Galloway.

The Bees should have a good team next year with the Championship Cees coming up to take the place of the men who will be promoted to the varsity squad.

B BASKETBALL TEAM

CEE BASKETBALL

The Cee basketball team won the first Bay League Championship for Beverly when they tied with Santa Monica and Redondo for the top position. The flyweights coached by Kenneth Mitchel were a well drilled squad and lost but one league game to Santa Monica.

Neil Casson, captain, was the outstanding player and deserved the credit due to him for leading the first championship team. He is a very steady and cool player despite his little experience. The remainder of the quintet, composed of Kyle Grainger, Con Hayes, Greg Kelly, and Pete Van Cott will be good Bee and Varsity material in the two years most of them have left.

DEE BASKETBALL

The mosquito weights, drilled by Coach Alfred Nicolas, did not do as well as the Cees but did have a fair team considering the lack of experienced material. The hardest blow was struck when the star, Jack Jennes, was forced out by a back injury. The rest of the team could not make up for the loss of Jennes. The team was composed of Ruggles Hammond, Bud Warner, Howard Shean, Whitey Collins, and Dick Davis.

VARSITY TRACK TEAM

The Varsity Track Team had a fairly successful season, placing third in the Bay League Dual Meet and standing fourth in the Finals. The team was handicapped at the beginning of the season by injury to two of its star performers, Tom Farrel, school record holder of the 440, and Bob Belden, the mainstay of the relay team.

The outstanding performer was Bill Rosenberg, who in one meet took three firsts: the high jump, the high hurdles, and the pole vault. Bill was high point man for the season and co-holder of the school high jump record of 6' 2". Another fine athlete was Don Nicholson, who placed in every meet in the shot and discus. Don set the school record in the discus at 119.

The squad's weakest events were the hurdles and the sprints. Although Jim Stewart tied the school high hurdle record at 16.3 in the Santa Monica meet, the best he could get was third. Two good sprinters were Johnny Grant and Jack Ogilvie, but they ran on the Bee team the latter part of the season. Grant, however, got a double win in the 100 and 220 at the Compton meet.

With many of the Championship Bees returning, the Varsity has a fine chance to go far next year.

BEE TRACK TEAM

The 1936 edition of the lightweight track team was probably the best ever to represent Beverly. Winning every dual meet and copping the dual meet championship, it went on to the League Finals at Wilson and walked away with the Final Championship. In the Finals there were six school records broken.

Gregory LaCava was the star of the season when, in the C.I.F. Preliminaries, he set a new school and C.I.F. Bee high jump record with a leap of 6' $\frac{3}{4}$ ". Johnny Grant broke the school 220 record two weeks in succession when, in the Bay League Finals, he ran it in 22.7, and the next week in the C.I.F. Preliminaries, he ran third in the time of 22.6. Guy Cooper and Jack Shilling both broke the school broad jump record with leaps of 21' 4" and 21' 3" respectively. Jack Rosenberg put the ten pound shot 45' 11" to set a new school mark. Jack Shilling also broke the former Bay League high jump record with a leap of 5' 10 $\frac{1}{2}$ " in the Finals to take a tie for second. Captain George Ross set a new 660 record in the finals when he won in the fast time of 1.28. The Bee relay team composed of Ross, Grant, Laverty, and Glass broke the school relay record in the time of 1:08.5.

Most of this season's Bees will go up to Varsity, and the A prospects should be exceedingly bright for 1937.

CEE TRACK

The Cee track team placed fourth in the Bay League Finals. They won most of the dual meets, but these did not count toward the championship. There were several meets in which the Cees had to run as Bees because the opposite teams had no Cee squad.

There were three school records broken this season. The 100 yard dash record was smashed by Bill Dunham, who traveled the distance in the fast time of 10.6. The 660 record was destroyed by Chuck Kennedy, who won the Bay League Finals in the time of 1:30. The Broad jump record was also broken in the finals by Kyle Grainger, who leaped 19' 7½" to win.

BASEBALL

The 1936 baseball season brought back the national pastime to Beverly, inasmuch as this is the first time in two years that the Normans have had a baseball team. There were but two returning lettermen, Harold 'Teen' Chauvin, and Bob Moulton. Tom Farrell was also a returning monogram winner, but he was injured in an early practice game and was out for the entire season.

The new league was a first class baseball outfit, probably the best baseball league in the county. This is proved by the fact that the Normans trounced the Western League Champs, Hamilton, by the tremendous margin of 17-3.

The squad, coached by John Canady, was hot and cold at times and could only win one league game. The main weaknesses were the inability of the Beverly batsmen to hit, and their failure to come through in the pinches.

Next season the chief problem will be a capable pitcher. This year's hurler, Chauvin, will graduate. Gerry Sieck, Paul Thompson, and Jack Donoghue, along with the veteran Farrell, will be the mainstays of the coming team. The high spot of the season was the trip to San Diego to combat Hoover High.

SWIMMING TEAM

Garnering five first places and amassing a total of 46 points, the Beverly swimming team came through in the finals to win the Bay League Championship.

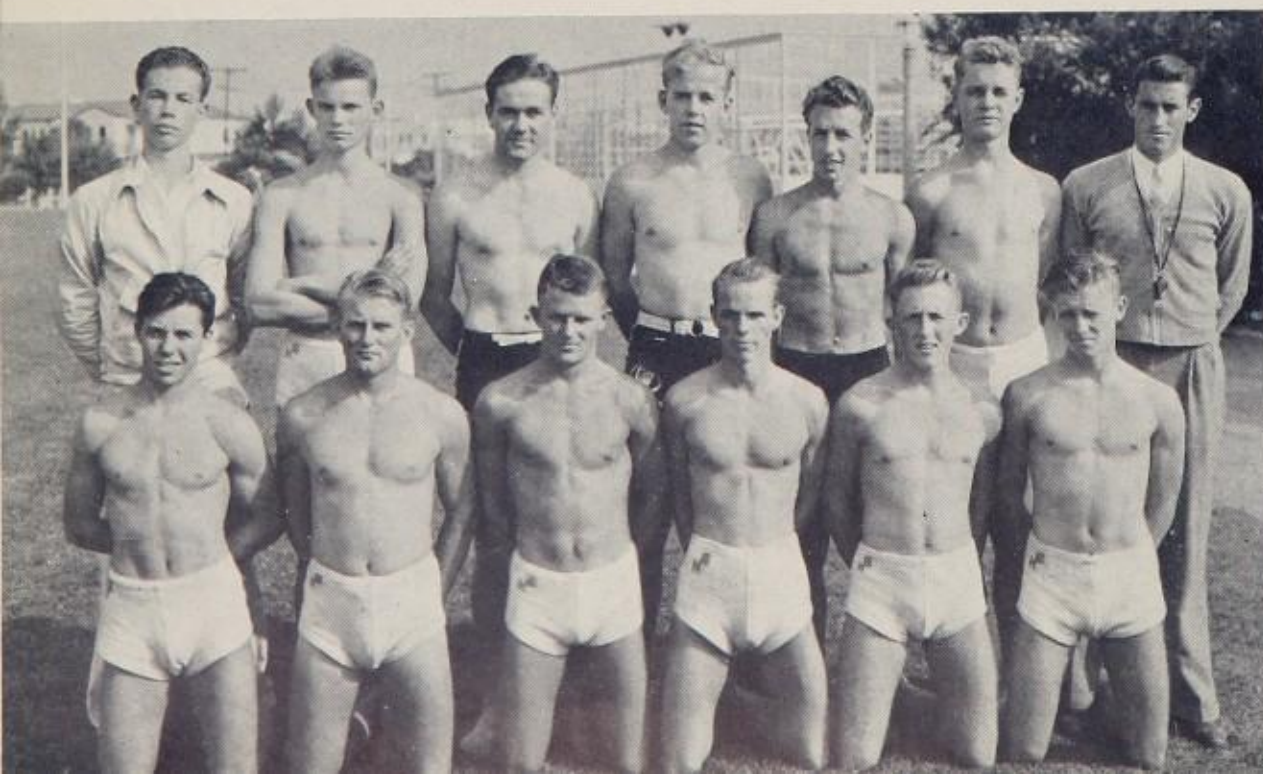

Captain Bill Janss competed for his fourth and last year. He was Beverly's mainstay and high-point man in the finals, winning first place in the 100 yard dash as well as anchoring Beverly's winning relay team.

Jimmie Wright and Earle Jameson were also outstanding swimmers. In the finals Wright took first in the breast stroke, and Jameson placed second in both the breast stroke and in the individual medley.

Other members of the team were the following: Smith, Culter, Carpenter, Rose, B. Merrell, C. Merrell, Mills, Ramser, Maclise, DeJuan, Laverty, Ritchie, Kennedy, Blackmore, McGilvary, Huff, Sherman, Bingham, Gold, Haines, Bridge, and Torian (Manager).

The team was coached by Sax Elliot.

GOLF TEAM

Beverly's golf team earned an enviable record this season in winning all of their League matches and emerging victorious in the League finals to win the Bay League golf championship. Including their many practice encounters the Normans lost only one match all year. Rennie Kelly, playing his usual steady brand of golf, held down the number one position throughout the season. The rest of the team was composed of Harris Flannery, Roscoe Karns, Bob Gordon, Hugh Chaloupka, and Greg Kelly.

GOLF TEAM

CROSS COUNTRY TEAM

CROSS COUNTRY TEAM

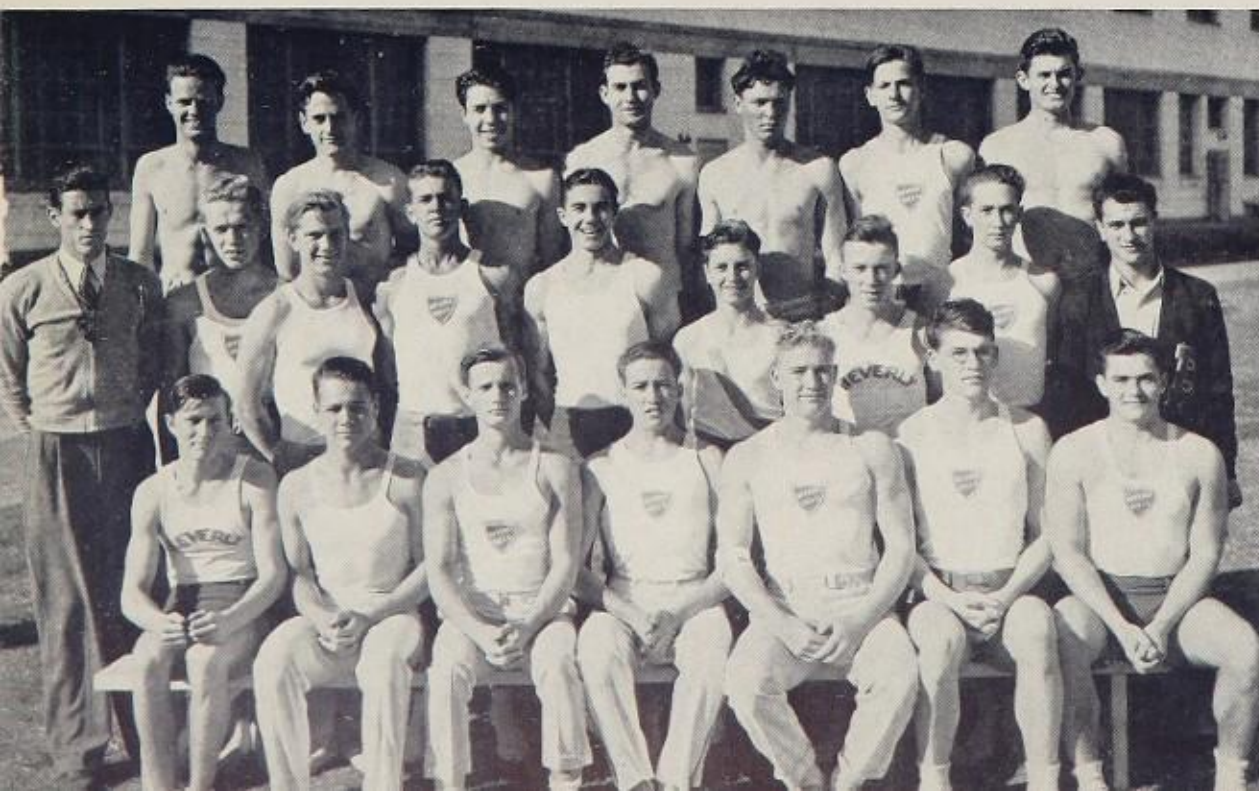

Beverly's Cross Country team, coached by Mr. Charles Brown, had a fairly successful season, winning the Compton dual meet, placing third in the Bay League finals, and earning fourth place in the Southern California Finals. In League competition the Norman leather-lungs were consistently among the three leaders, but the point total is figured on the basis of places from first to tenth and lack of team strength lost most of the meets. The outstanding men on the team were Walter Porter, who placed fifth in the C.I.F. Finals, and Les Hilliard. Other valuable members of the squad were Bill Englebert, Doug Montero, Carlton Peterson, Knight Harris, Carles Rutherford, and Raymond St. John.

GYM TEAM

The Beverly Hills gym team was the undisputed champion of the Bay League and also the unofficial champion of the Western League. Coached by Sax Elliot, the team was undefeated for the entire season with the exception of a final meet with the combined forces of the U.C.L.A. Varsity and Frosh squads.

Outstanding members of the team were: Chuck Merrell, horizontal bar, parallel bars, and tumbling; Bob Olson, side horse, long horse, horizontal bar, and clubs; George Oliver, free exercise and horizontal bar; Bill Rienecke, free exercise; Ted Ballard, free exercise; Jim White, rope climb; Bob Walker, side horse and clubs; and Dave Williams.

GYM TEAM

TENNIS TEAM

The Tennis Team, under the able coaching of Sax Elliot, turned in a very favorable showing—placing second in the league, after being beaten by Santa Monica's strong aggregation. This defeat ruined all hope of a league championship, but undiscouraged, the team breezed through the other matches with lopsided scores.

The team was well balanced as a whole, but was considerably handicapped by the small stature and young ages of the majority of the players; however, this very fault will prove a boon to next year's team, because everyone will return except Capt. Bob Chapman and Ned Crist—first singles and first doubles respectively.

GIRLS' SPORTS

LETTER GIRLS

This semester the letter girls devoted their time to a color play day. The schools invited were Santa Monica, Inglewood, and Redondo. Forty from each school came in teams for various games of baseball, basketball, volleyball, and individual sports. The theme was that of a Rancho and was worked out very successfully. The play day was carried out by Dorothy Burns, president of the Letter Girls, under the direction of Mrs. Lohman, sponsor.

The Letter Girls are the following: Beverly Beesemeyer, Muriel Black, Tru Bolin, Allison Boswell, Dorothy Burns, Virginia Cook, Virginia Edington, Anne Gillespie, Florence Hickey, Sally Millhauser, Mary Powell, Helen Schneider, Harriet Stacy, Travis Wilkinson.

G.A.A.

This year the Girls' Athletic Association has been undergoing a change in its organization. Virginia Cook and the sponsor, Mrs. Anna Wilson, investigated with a research committee the organizations in other schools, hoping to find some helpful ideas. In the meantime the G.A.A. sponsored the following sports: basketball, baseball, hockey, speedball, riding, tennis, golf, and badminton. The team-games were played by class representatives during the sports season, at the end of which all-star teams were chosen for a play-off game.

LETTER GIRLS

SPECIAL ACTIVITIES

A new design for gym classes was introduced this year. Individual sports, which included paddle tennis, deck tennis, tether ball, box hockey, dart board, croquet, ping-pong, shuffle board, and badminton were added to the regular program of team sports. These games afforded opportunities for girls to make leisure time more interesting.

A leaders' class, sponsored by Mrs. Wilson, was originated for the second semester. These girls, selected by teachers' recommendations from all physical education classes, are trained to be leaders by leading under guidance, by refereeing, by learning rules of games and by acquiring some knowledge of sport coaching in team and individual games. The class project each semester is a play day for the one hundred forty-eight girls of the four elementary schools to serve as a welcome and introduction to the high school.

BASKETBALL

Since the basketball season was scheduled during a time of great upheaval, the participants did not have regular competition. It was decided at this time that the sign-up for after school sports should be by classes with a manager for each class, rather than by Trojans and Hotiwas. This, the teachers felt, would greatly arouse the girls' enjoyment in the games. The teams thus follow the motto of the National Amateur Athletic Association, which is, "A game for every girl, and a girl in every game."

ALL-STARS

HOCKEY

A round-robin girls' hockey tournament was held this year with the front lawn as the playing field. All of the class team competing played four games, and the Sophomores and Juniors ended in a tie for first place. A coin was tossed to determine a winner, and the triumphant Juniors were entertained at a party held on the day of the all-star game.

Two all-star teams were chosen from the class teams by the vote of the girls and their coaches. The Captains, Tru Bolin and Nancy Allan, organized teams, and Tru's team won in the play-off game.

10TH GRADE TEAM

VOLLEYBALL

Though volleyball is a minor team sport, it is enjoyed by all participants. During this last year a more enthusiastic interest was gained because of the revised rules, which are as follows: Each player may bat the ball twice in succession, the ball may be batted more than three times in volleying the ball, the serve may be helped over-net by a set up however, and a server may use her fist. A new method of scoring has been devised. The score is now kept by time, not points. Girls who play volleyball at the beach should enjoy the practice derived from playing at school.

BASEBALL

Baseball brought out a large crowd of girls this year, and to improve their techniques, they spent two weeks in making achievement records, such as timing of base running and scoring of pitching, catching, throwing, and batting. The positions on the class teams were chosen according to these records and general playing ability. The teams played a double tournament; each one played every other team twice. The team that won the highest percentage of these six matches was the champion. Two all-star teams were chosen from the entire turnout by the coaches, Mrs. Wilson and Mrs. Draves, a secret student committee, and popular vote. These two teams played an exhibition game.

BASEBALL TEAM

SPEEDBALL

Speedball was played during the second half of the first semester by girls from the gym classes who formed teams of their own. The teams offered active competition for one another although no all star teams were chosen to finish the season.

TENNIS TEAM

The girls' tennis team had a fairly successful season to celebrate their arrival into the Bay League. They triumphed in matches with Santa Monica, Inglewood, and Compton, but El Segundo and Redondo downed the Norman team. The matches were based on a nine point scoring system, and they consisted of two singles and two doubles encounters. The team was composed of the following: Louise Brough, Virginia Cook, Ruth Doran, Nancy Hartwell, Jane Joliffe, June Lang, Mary Lester, Miriam Persons, and Carolyn Rohe.

TENNIS TEAM

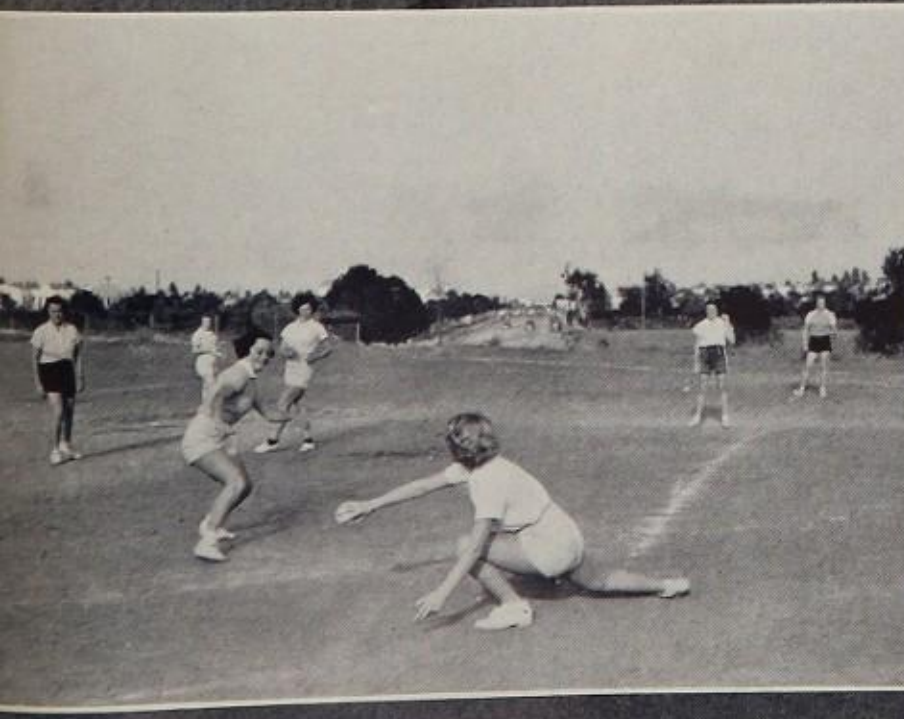

DANCING

The creative dancing class, sponsored by Mrs. Lohman, has been very busy this year. With class technique and dances, which are designed to produce greater body poise, control, and skill of movements, these girls have collaborated with the art department in school productions. Their initial performance was in a mothers' tea program. In the fall they produced the dances for the Art Pageant, and in the spring these girls and Mrs. Phillips' stage design class combined costume designing, lighting, and dancing to present a part of the May Festival program. Original interpretation of modern music and of percussion accompaniment is stressed.

DANCING CLASS

I feel highly flattered that I have been chosen by the staff of the "Watchtower" to write a foreword.

In honoring the memory of our friend Bill Rogers you are paying tribute to a great man, a fine humanitarian, the world's greatest humorist, and a real leader. His life story could very well be a story on leadership.

Leadership is something that all young people should strive for, as the leader of any group is always the most important member. Leadership is not necessarily born in one, but can be developed by the ambition to succeed.

To be a leader one must thoroughly understand the task he and his followers are trying to perform. One must also be able to take direction as well as to give it. All of us cannot be leaders, so it behooves those of us who haven't the necessary attributes of leadership to successfully follow those who have.

In both leading and following one should have brains, courage, wit, loyalty, and ambition. By "ambition" I do not mean to merely wish for a thing and to tell others how much you desire that thing—but the love of either the game or the position you wish to occupy should be so great that any sacrifice should be made without the thought of sacrifice.

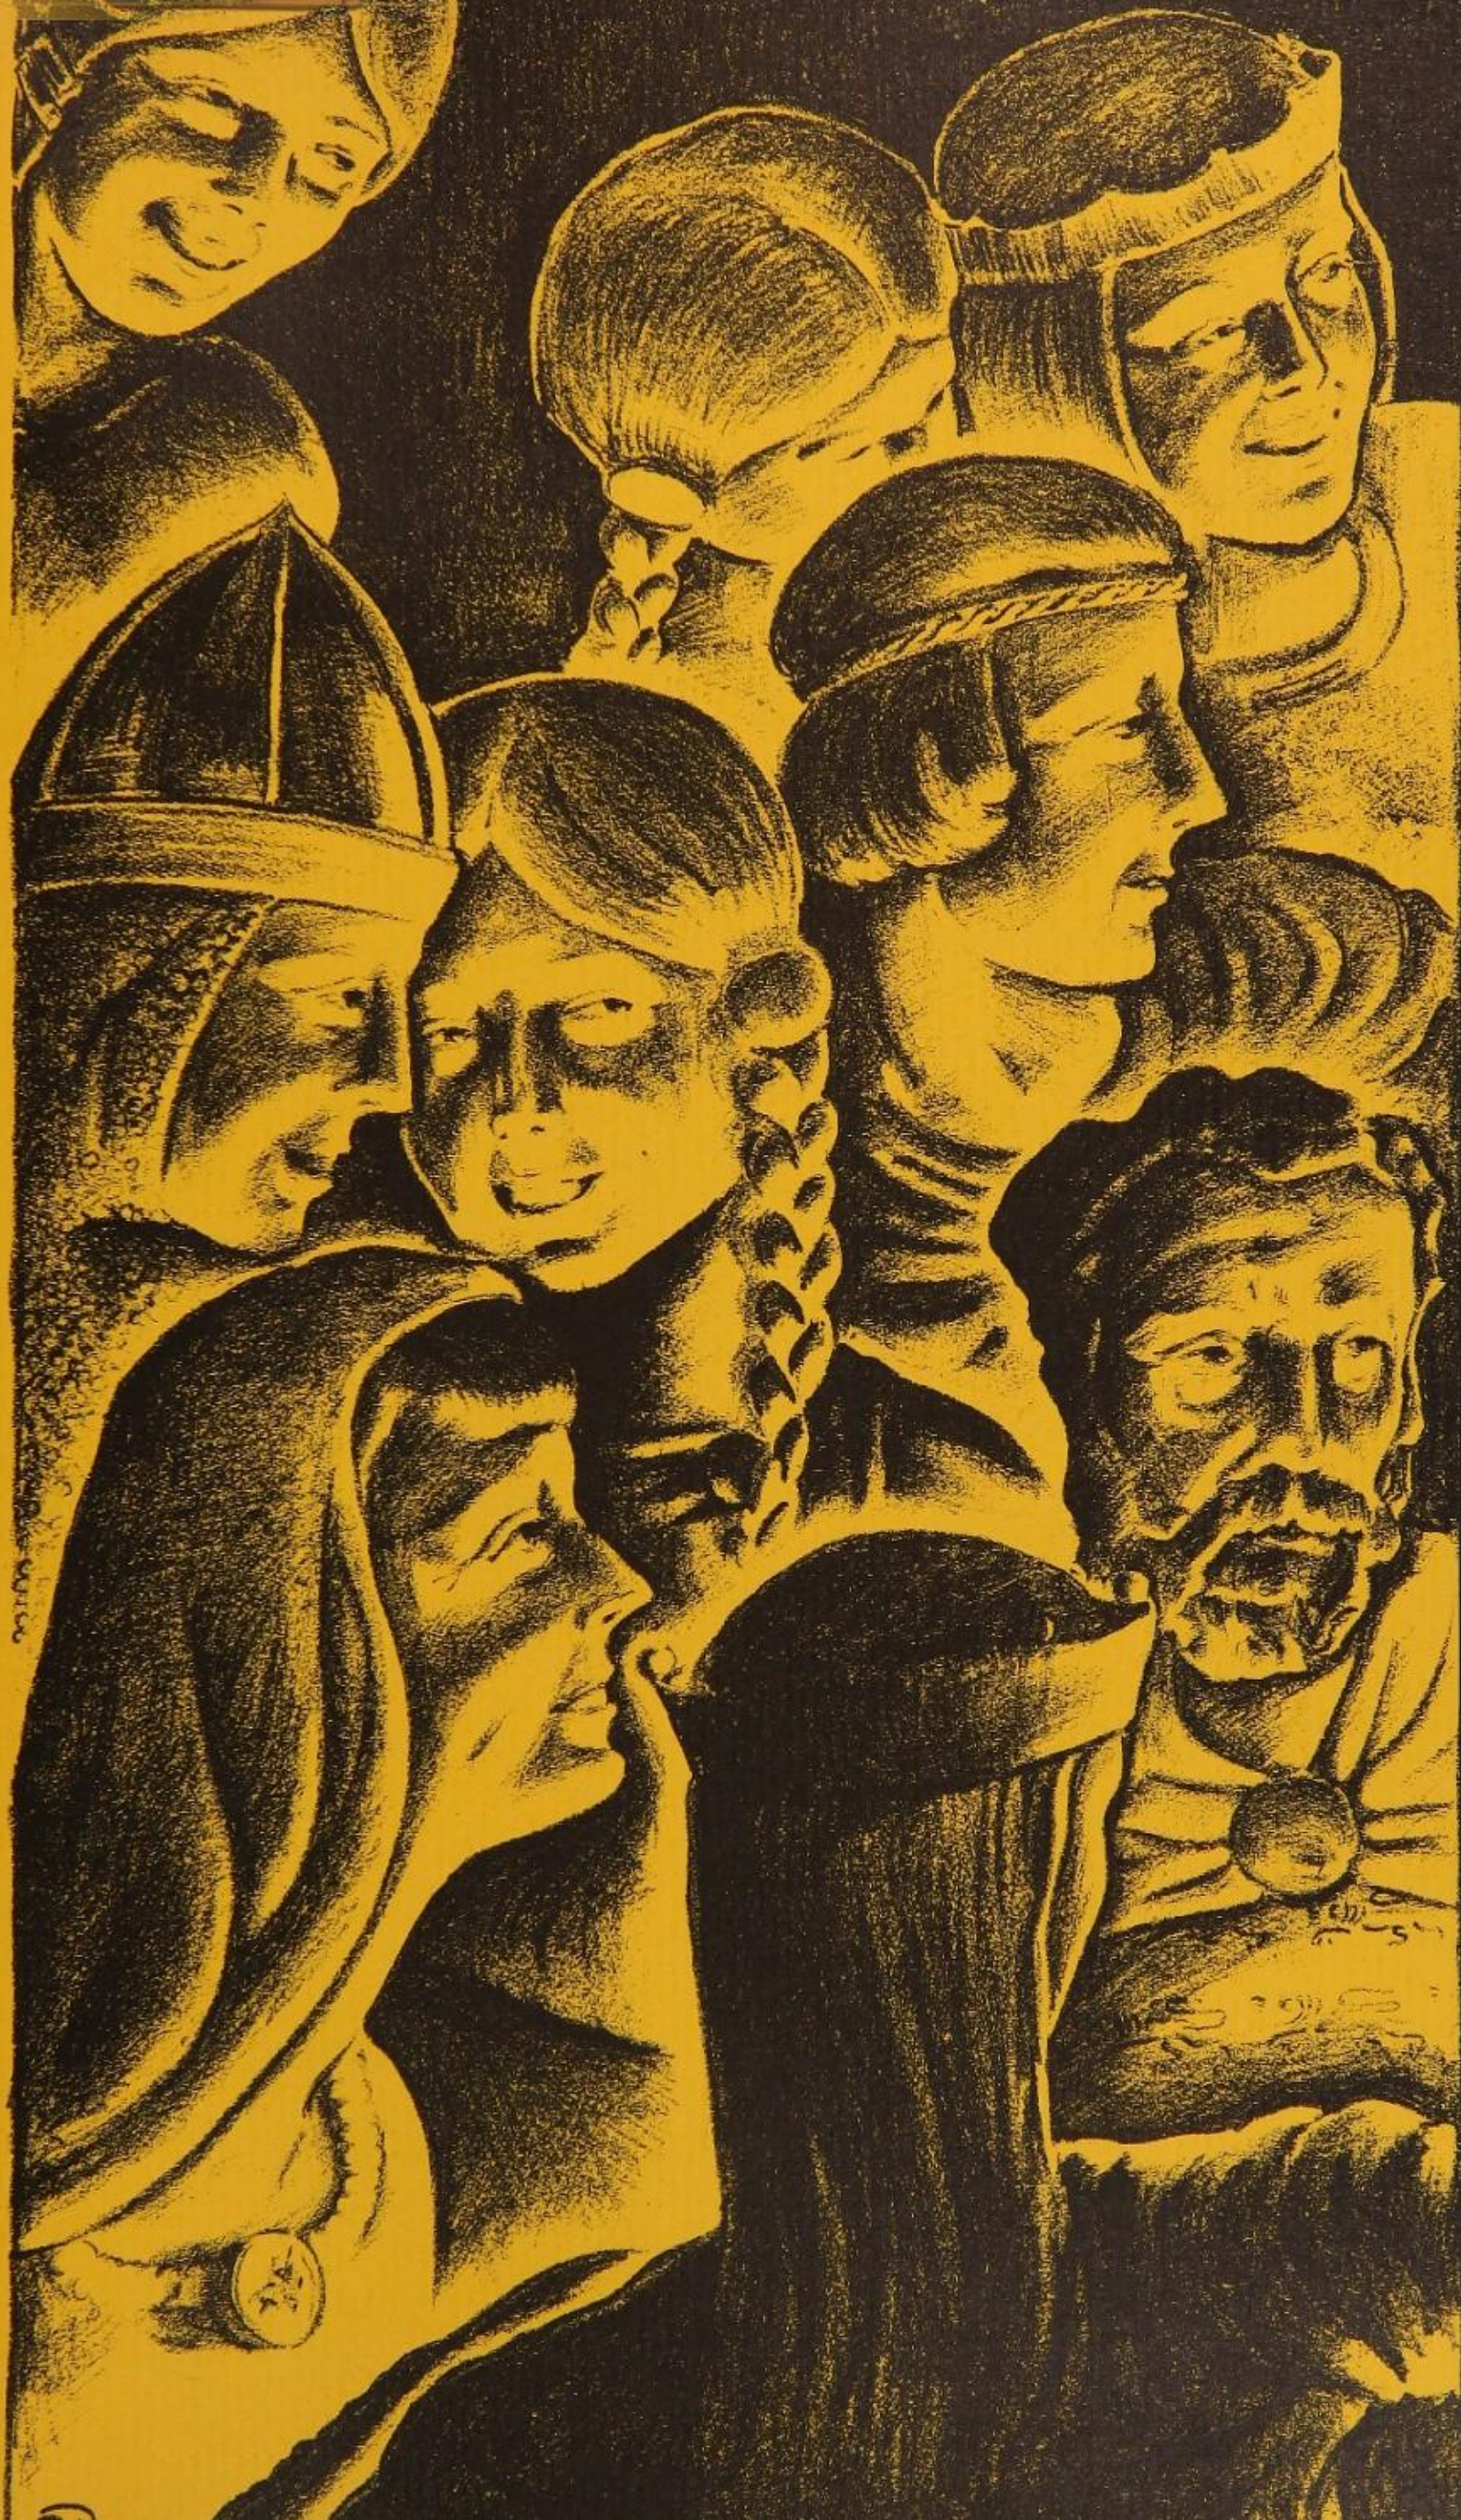

I believe it important that the right spirit of cooperation should exist between the leader and the followers. The spirit should exist in the classroom, on the field of sports, or in any business or profession, and the youngster who has the opportunity for a thorough education should take all advantage of it, as one who has not been well educated will feel the want of it many times.

And by all means always retain your sense of humour. And by "sense of humour" I mean the faculty of laughing when the joke is on you as well as when you are laughing at someone else. Of course, I got a good start, because I was born with the laugh "on me"!

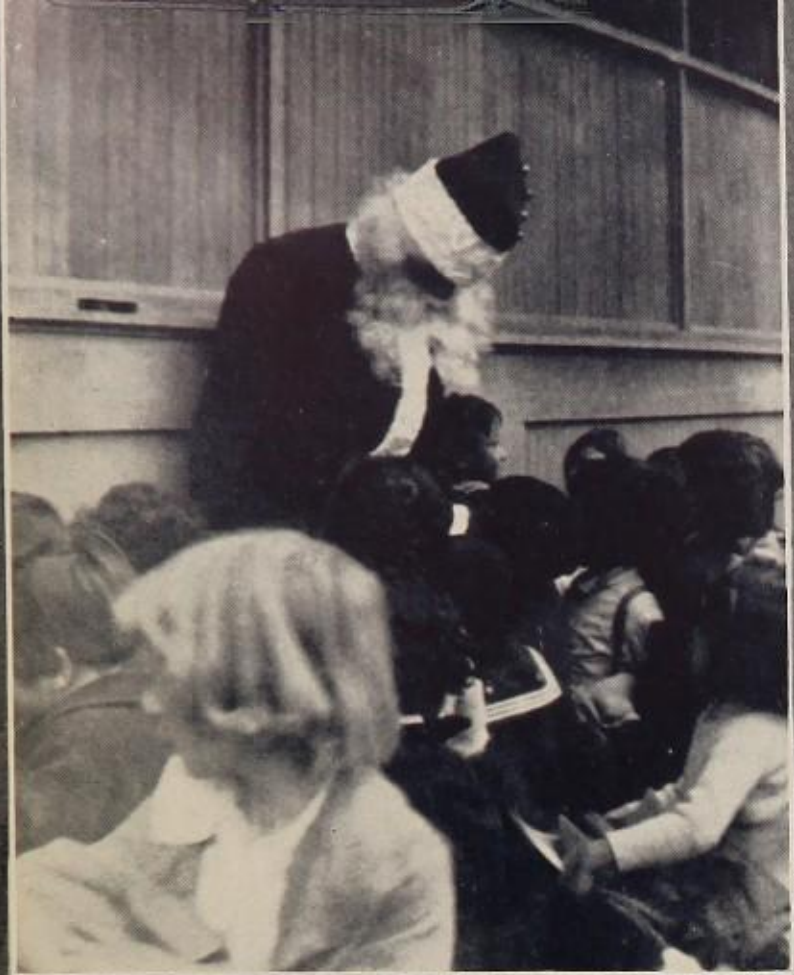

There is no formula for success. The only rule that applies in all cases is the desire to work.

Seventy-five students will participate in the pageant, "Stolen Beauty," which is being presented by the pageantry class tomorrow in the auditorium. There will be two performances, a matinee at 3:30 and an evening performance at 8:15.

Admission in the afternoon will be 25 cents for high school students and adults if they are accompanied by an elementary school pupil, plus 10 cents for the pupil, and 35 cents for all others. The evening tickets sell for 35 cents, and all seats are reserved. Proceeds from the show will be used for beautifying the school.

The leads in the pageant include Bob Dittrick and Jane Bowhay as the Persian prince and princess; Bill Huber and Barbara Messinger, the Russian prince and princess; Hugh Chaloupka

COMEDY PRESENTATION NEXT FRIDAY

"The Queen's Husband," a three-act comedy by Robert Sherwood, will be presented in the auditorium Thursday afternoon, January 16, and Friday evening, January 17.

The play is directed by Miss Gene Neilson and has the finest talent in the cast. Bill Griffiths has the title role of the queen's husband, King Eric VIII, while Patricia Walthall plays Queen Martha opposite him. The two romantic leads are enacted by Ruth Pottle and Rand Brooks. Jack Jackson is the villain of the piece, Prince William. Comedy interest is supplied by Jack Forker as Phipps, the butler. The diplomat, Birten, and the Prime Minister, Northrup, are played by Phillip Burkham and Ronald Cooley, while Albert

a henpecked weakling to a true ruler, handling affairs of both the heart and the state, even to elopements and revolutions.

The setting of "The Queen's Husband" is a palace interior and forms a rich background for the beautifully costumed actors. Live penguins and other little surprises help to carry out the comedy of the play. Designed by the stage design class, under the direction of Mrs. Verna Phillips, the set was constructed by Mr. Robert Whitten and his stage crew. The girls' costumes are under the supervision of the Modern Costume Design Department and the boys' outfits were rented. Lighting effects for the play are to be handled by an experienced electrician.

A large production staff is necessary.

In today's assembly, sponsored by the Palladian Society, this year's Seal Bearers will be presented for the first time to the students by Mr. Arno Bowhay, and will be followed by sound motion picture, "The Isle of the Dead."

The newly appointed Seal Bearers are: Ned Boyer, Bob Cohle, Edward Curtis, Betty Lee Duncan, Lynet Greenbaum, Milton Hales, Sam Patterson, Lucretia Tenney, Dan Ullman and Blanche Verchleiser.

Today's picture, which is being shown due to the courtesy of the Bell-Hows Laboratories, is an account of an expedition to the island which is just off the coast of Denmark. It depicts the customs and traditions of the natives of that island who are, according to science, 500 years behind civilization.

Three School Records Are Broken By Normans

Turning in a spectacular performance in nearly every event, the Norman lightweights copped the Bay League finals at Stephens Field, Long Beach, last Saturday.

George Ross, undefeated in league 660 competition, won the 660 in 1:28.3, breaking the school record by a full three seconds.

Johnny Grant took the 220 in 22.7, breaking the school record by four-tenths of a second.

The other Norman first was the winning leap of 21 feet, 4 inches in the broad jump by Guy Cooper. Guy broke the school record by 6 1/4 inches.

The Bees who qualified for the C. I. F. preliminaries are Ross, Glass, Grant, Laverty, Hintze, Schilling, Cooper, Blankenship, J. Rosenberg, and La Cava.

Beverly Is Elected Vice-President of Press Association

At the annual spring convention held last Saturday at Pomona High School, Beverly High was elected vice-president of the Southern California High School Press Association for the coming year, winning by a narrow margin from Santa Barbara High School. Other officers elected were Santa Maria High School, president; and Santa Ana High School, secretary.

The morning sessions in the auditorium consisted of discussions on "Front Page Clinic," directed by Marc N. Goodnow of U. S. C.; "Reporting the Sports," directed by Dick Nash of the U. S. C. Wampus; and "Reporting the Major News," directed by Ed Ainsworth of the Los Angeles Times.

Luncheon was served in the Ebell Clubhouse, followed by a floor show, playlet, and a few brief remarks by the distinguished guests.

Peggy Graham Is New Golf Queen Sherman Mellinkoff Wins Sixth Place In National Forensic Tournament Held In Oklahoma City

In spite of the fact that her father didn't think she was worth buying in the Calcutta pool, Beverly's own Peggy Graham came through in fine style last Friday afternoon when she defeated Mrs. Gregg Lifer to win the California Women's Amateur golf title.

"It was lots of fun," laughed Peggy. "I even got a telegram of congratulation from Bing Crosby."

Peggy has gone to Beverly for three years, having started in the B-10. It was during her sophomore year that she first attracted attention in golfing circles by winning the Girls' Southern California Title, which she still holds.

She follows a commercial course at school and has two

As a result of the recently announced official tabulation from the University of Redlands, the Beverly Hills High School team was found to have had a higher point total in the debate, declamation, oratory, and extemporization events than any of the 22 teams entered in California forensic contest.

In recognition of this state-wide speech win the Beverly team will be presented with a large silver trophy.

The members of the group are as follows: Declamation, Ruth Pottle and Sherman Mellinkoff; oratory, Robert Hine and Jim Stewart; extemporization, Sherman Mellinkoff and Robert Moulton; debate, Robert Moulton and Jim Stewart.

Below is the point summary of the respective teams:

High School	Events	Total Point
Beverly Hills	Debate 11, Oratory 7, Dec. 5, Extemp 8	31
Bakersfield	Debate 12, Oratory 6, Dec. 5, Extemp 7	30
San Bernardino	Debate 10, Oratory 8, Dec. 5, Extemp 7	30
